Annual Report

Town of

Conway, New Hampshire

B&M. R. R. Station and Moat Mountain, Conway, N. H.

Cover photo is the former Boston & Maine Railroad Station, built circa 1873, which was located in the vicinity of the southerly entrance to Kennett High School. It was demolished in the early 1960's when the new grade crossing for Route 16 was put through.

** Resigned during term.

SELECTMEN'S ANNUAL REPORT 1997

The Board of Selectmen has enjoyed another busy year dealing with many varied issues. A big item is still traffic. The early phases of 9A are underway and many corridor takings have been completed for those citizens who requested early settlement. The Route 16/112 intersection is nearly complete, lacking only the control lights whose need is still being debated locally. The Citizens Design Review Committee (CDRC) is up and running and will ensure that local concerns and ideas are considered by the Department of Transportation (DOT) as the project evolves. The Route 16/River Road intersection rebuild is the next component, and could be done this year. However, the CDRC has asked that this construction not coincide with our busiest tourist season, July through October, so it may be delayed until the spring of 1999 -- such is the cooperation we seek and receive from the DOT.

The North-South Local Road is now in the planning stage and there seems to be considerable local support for extending the road north of Mechanic Street to Intervale, thus providing auto traffic an alternate route through North Conway. This expansion of our infrastructure should significantly improve the traffic flow between Bartlett and Redstone. How long it would postpone the need for the northern part of the bypass and how the extension would be financed remain to be seen, but it does appear to have merit. Citizens will be asked to vote on a non binding referendum question in this regard.

Your Board of Selectmen wishes to stress the importance of receiving your support for these next two items:

1. Special Article #13, "Infrastructure Reconstruction", is one of the most important proposals on the Warrant. A 7-year maintenance and reconstruction schedule has been developed by Public Works Director, Paul DegliAngeli, which calls for \$193,400 to be invested in a Capital Reserve Fund. I urge your support as this is the most cost effective and responsible approach to keeping our roads in good shape.

2. The other item of special importance addresses the Landfill Expansion. \$350,000 is included in Article #11 in the line entitled "Capital Reserve Funds". Several different methods to implement the expansion have been explored. This is the preferred and best approach. I recommend you review the Public Works Director's report, as well as the Town Manager's Budget Narrative, included in this annual report. They both detail and explain the merits of this strategy.

I am able to again report that your Town government is working well and the team at Town Hall is ready to meet the challenges of the years ahead. Thank you for your support.

Respectfully submitted,
Paul D. Whetton, Chairman
Board of Selectmen

RESULTS OF VOTING AT THE 1997 ANNUAL TOWN MEETING

(2009 Ballots cast)

ARTICLE 1: To choose all necessary officers.

Selectmen for 3 years:

Police Commissioner for 3 years:

Town Clerk/Tax Collector for 3 years:

Trustee of Trust Funds for 3 years:

Library Trustee for 3 years:

Municipal Budget Committee for 3 years:

Municipal Budget Committee for 1 year:

Planning Board for 3 years:

Planning Board for 1 year:

Michael J. Valladares

Paul E. Whetton

Armand Milot

Michael S. King

Shirley M. Lane

Dorcus H. Deans

Thomas Holmes

Robin Waters

Robert Barriault

Patti L. Duprey

Karen Gilman

Maryellen LaRoche

Kathryn A. Burnell

Dana E. Hylen

Catherine A. Woodall

Robert Barriault

ARTICLE 2: To see whether or not the Town will vote to adopt Amendment No. 1 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code Sections 147-2 by inclusion of a statutory reference; 147-6 of the definition of "Functionally Deficient" by inclusion of the statutory reference; 147-6 of the definition of "Septic System" to change "waste" to "wastewater"; 147-7 C. (1) by inserting a corrected statutory reference; 147-11.1J(2)(a) by adding a new statutory requirement dealing with beaches; 147-11.1.M. by inserting statutory and administrative rule references; and 147-13.D.(2)(a) by correcting agency named therein.

YES - 1355 NO - 418 CARRIED

ARTICLE 3: To see whether or not the Town will vote to adopt Amendment No. 2 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code 147-11.A. by inserting a provision on permitted yard sales in the Residential/Agricultural District.

YES - 1193 NO - 602 CARRIED

ARTICLE 4: To see whether or not the Town will vote to adopt Amendment No. 3 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code 147-11.1.N. by deleting "pesticides" and referencing the new pre-emptive State Statute. Recommended by the Conway Planning Board.

YES - 1301 NO - 426 CARRIED

ARTICLE 5: To see whether or not the Town will vote to adopt Amendment No. 4 as proposed by the Conway Planning Board to the Town Zoning Ordinance

which amends Conway Code 147-13.B.(2) dealing with determination of disputed wetland boundaries. YES - 1228 NO - 479 CARRIED

ARTICLE 6: To see whether or not the Town will vote to adopt Amendment No. 5 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code 147-11.B(7) to add a Special Exception to permit United States Post Offices in the Residential/Agricultural District under stated conditions. YES - 1316 NO - 466 CARRIED

ARTICLE 7: To see whether or not the Town will vote to adopt Amendment No. 6 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code 147-17.1. modifying frontage requirements on roads in various zoning districts. YES - 1159 NO - 586 CARRIED

ARTICLE 8: To see whether or not the Town will vote to adopt Amendment No. 7 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code 147-19.D(1)(a) by modifying free standing sign setback requirements; and 147-19.B(1)(f) by amending portable a-frame sign uses. YES - 1148 NO - 607 CARRIED

ARTICLE 9: To see whether or not the Town will vote to adopt Amendment No. 8 as proposed by the Conway Planning Board to the Town Zoning Ordinance which amends Conway Code 147-19.1.(1) qualifying decorative flag use.

YES - 975 NO - 793 CARRIED

ARTICLE 10: To see whether or not the Town will vote to adopt Amendment No. 9 as proposed by the Conway Planning Board to the Town Building Ordinance which amends Conway Code Chapter 89 deleting present reference to BOCA National Building Code 1993 as amended and adopting and inserting therefor the BOCA National Building Code 1996 as amended which incorporates the following penalty provisions: Adopting under Section 112.3.1 the building construction fees by reference applicable under Conway Code Chapter 88, and by adopting under Section 116.4 and Section 117.2 respectively the following penalty provision: Any violation of this Ordinance or any provision or specification hereunder or any requirement or condition of a permit or decision or order issued by the Town Building Inspector or Conway Planning Board or other administrative officer shall be subject to a civil penalty not to exceed \$100.00 for each day that such violation is found to continue after the conviction date or after the date on which the violator receives written notice from the Town that such violator is in violation, whichever is earlier.

YES - 1199 NO - 565 CARRIED

ARTICLE 11: To see whether or not the Town will vote to adopt Amendment No. 10 as petitioned by Sonnhilde Saunders and others to the Town Zoning Ordinance which amends Conway Code Section 147-12.D. with new section dealing with outdoor commercial activities and re-numbering present subparagraph D, therein, to subparagraph E. YES - 1118 NO - 607 CARRIED

ARTICLE 12: To see whether or not the Town will vote to adopt Amendment No. 11 as petitioned by Joseph C. Webb and others to the Town Zoning Ordinance which amends Conway Code 147-19.E. by adding new subsection (2)

to allow vehicle-oriented off-site commercial signs.

YES - 516 NO - 1266 DEFEATED

ARTICLE 13: (Bond) To see if the Town will vote to raise and appropriate the sum of One Million Five Hundred Thousand Dollars (\$1,500,000) (gross budget) for engineering and construction costs and related expenses for the **EXPANSION TO THE SECOND CELL OF THE Town's operating LANDFILL SITE**, and to authorize the issuance of not more than \$750,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act. (RSA Chapter 33), and to authorize the Board of Selectmen to issue and negotiate such bonds or notes, and to determine the terms and the rate of interest thereon. The balance of funds required (\$750,000) shall come from the "Expansion of Landfill" CAPITAL RESERVE FUND.

YES - 1185 NO - 597 DEFEATED

[Required 1187 for 2/3 vote]

Result of Recount - 4/15/97

YES - 1198 NO - 602 DEFEATED

[Required 1201 for 2/3 vote]

ARTICLE 14: (Separate) To see if the Town will vote to raise and appropriate One Hundred Nineteen Thousand Five Hundred Dollars (\$119,500) to be disbursed to the appropriate **PRECINCTS/DISTRICTS** who provide primary **FIRE AND RESCUE SERVICES TO THE NON PRECINCT AREAS OF TOWN**. In accordance with State Legislative action in 1996 under HB 1119, Act 64, Sections 6 and 7, the Precincts/Districts providing fire service to their respective precincts shall not be taxed for the appropriation necessary to provide coverage to the out of Precinct/District area. Therefore, the amount appropriated shall be raised by a Fire Tax Assessment placed on the taxable properties based on assessed values in the non precinct areas. In succeeding years the amount to be raised and appropriated will be delineated within the Town's operating budget with the amount to be raised in the same manner explained in this Article.

YES - 1272 NO - 505 CARRIED

ARTICLE 15: To see if the Town will vote to assume the **OPERATIONAL AND FINANCIAL RESPONSIBILITIES** of any of the five (5) existing **PRECINCT/DISTRICT FIRE/RESCUE OPERATIONS ENTITIES** as they may from time to time request of the Town. Any such action is subject to the legal abandonment of the service(s) from the Charter of the applicable precinct or district, and a negotiated agreement of transfer of operations and equipment with the Board of Selectmen. The authority given by this Article shall stay in force until otherwise rescinded by the Town's Legislative Body.

YES - 1071 NO - 687 CARRIED

ARTICLE 16: To see if the Town will vote to establish the elected **TOWN CLERK/TAX COLLECTOR POSITION** to be salaried only in lieu of Fees and Salary. The amount of salary shall be annually delineated in the operating budget. All fees collected shall go into the General Fund. Should an incumbent not be elected or a vacancy occur, the new Town Clerk/Tax Collector shall begin office at a salary level equal to the average earnings of the position as deter-

mined by survey of the thirty (30) towns used for pay comparison in Conway's Non-Union Personnel Manual. YES - 1406 NO - 408 CARRIED

ARTICLE 17: (Operating Budget) Shall the Town of Conway raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant for the purposes set forth therein, totaling Five Million Five Hundred Forty Five Thousand Four Hundred Sixteen Dollars (\$5,545,416). Should this article be defeated, the operating budget shall be Five Million Six Hundred Thirty Two Thousand Nine Hundred Forty Four Dollars (\$5,632,944), which is the same as last year, with certain adjustments required by previous action of the Town of Conway or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. YES - 1530 NO - 330 CARRIED

ARTICLE 18: (Special) To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000) to put into place an EMERGENCY MANAGEMENT PLAN which would be activated in the event of failure of the CONWAY LAKE DAM. YES - 974 NO - 903 CARRIED

ARTICLE 19: To see if the Town will vote to transfer ownership of a parcel of land (being Map #7-9, Parcel 13-A-2-15,13) on REBECCA LANE, currently owned by the Town through tax taking, to REBECCA LANE WATER SYSTEM ASSOCIATION. The land contains the water source and pumping station for the water system which services the Association members' properties. The Association shall pay the costs for deed preparation and recording.

YES - 1517 NO - 338 CARRIED

ARTICLE 20: (Special) To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) for the purpose of RENOVATING THE 2ND FLOOR OF TOWN HALL. The construction shall include, but not be limited to, offices, flooring, central air conditioning. This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the renovation is completed or in two years, whichever is less. YES - 1085 NO - 799 CARRIED

ARTICLE 21: To see if the Town will vote to authorize the Board of Selectmen to effect a SWAP OF LAND BETWEEN THE TOWN AND THE LANDOWNER OF MACDONALD MOTORS. The swap will provide for a lot line adjustment which will square off the two lots. MacDonald Motors shall pay Nine Thousand Dollars (\$9,000) for the increased commercial value created by the swap and shall further pay for site plan, deed preparation, and recordings.

YES - 1540 NO - 344 CARRIED

ARTICLE 22: (Special) To see if the Town will vote to raise and appropriate Eighty Thousand Dollars (\$80,000) for the TOWN'S 20% MATCHING SHARE OF A FEDERAL/STATE ISTE A (Intermodal Surface Transportation Enhancement Act) GRANT. The total project cost is \$400,000 with the difference of \$320,000 being funded by the NH Dept. of Transportation. The project is to complete the BIKE PATH on each side of WEST SIDE ROAD from the fire pond by Allard Hill

to the River Road intersection. This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the road reconstruction is completed, or in two years, whichever is less. YES - 1259 NO - 622 CARRIED

ARTICLE 23: (Special) To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) for the purpose of purchasing a USED RECORDING/TRANSCRIBING PIECE OF EQUIPMENT FOR THE POLICE DISPATCH. YES - 1240 NO - 642 CARRIED

ARTICLE 24: (Special) To see if the Town will vote to raise and appropriate Forty One Thousand Dollars (\$41,000) for the purpose of reconstructing the TENNIS COURTS AT DAVIS PARK. YES - 837 NO - 1054 DEFEATED

ARTICLE 25: (Special) To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the purpose of CONSTRUCTING A TEMPORARY COVER TO THE CONWAY PUBLIC LIBRARY OVER THE ENTRANCE WAY FROM THE PARKING LOT.

YES - 1384 NO - 444

CARRIED AS AMENDED TO \$0

ARTICLE 26: (Special) To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) for the purpose of providing an INFRASTRUCTURE DESIGN PLAN FOR REPLACEMENT OF DRAINAGE AND RECONSTRUCTION OF STREETS AND SIDEWALKS IN NORTH CONWAY.

YES - 929 NO - 942 DEFEATED

ARTICLE 27: (Special) To see if the Town will vote to raise and appropriate the sum of Seventy Three Thousand Eight Hundred Fifty Three Dollars (\$73,853) for the purpose of RECONSTRUCTING HIRAM PHILBROOK ROAD which is in complete structural failure. This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the road reconstruction is completed, or in two years, whichever is less. YES - 876 NO - 937 DEFEATED

ARTICLE 28: (Separate) To see if the Town will vote to approve the cost items of a one year COLLECTIVE BARGAINING AGREEMENT for the calendar year 1997 between the Town of Conway and AFSCME #93, Local #859, DEPARTMENT OF PUBLIC WORKS, having a total estimated contract cost for 1997 of Five Hundred Seventeen Thousand One Hundred Thirty Four Dollars (\$517,134). No further amount of money is required to be raised and appropriated as there are no additional increases in total salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

YES - 1335 NO - 476 CARRIED

ARTICLE 29: (Separate) To see if the Town will vote to approve the cost items of a one year COLLECTIVE BARGAINING AGREEMENT for the Calendar year 1997 between the Town of Conway and AFSCME Local #3657, POLICE DEPARTMENT, having a total estimated contract cost for 1997 of Seven Hundred Six Thousand Two Hundred Thirty Four Dollars (\$706,234). No further amount of money is required to be raised and appropriated as there are no additional

increases in total salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

YES - 1323 NO - 487 CARRIED

ARTICLE 30: (Special) To see if the Town will vote to raise and appropriate Fifty Six Thousand Eight Hundred One Dollars (\$56,801) for the purpose of CONVERTING THE PSNH STREET LIGHTS IN CONWAY which are under the Town's jurisdiction. In accordance with a requested study and proposal conducted by PSNH, the conversion to High Pressure Sodium Lighting will generate an annual electric usage billing savings of \$20,081 (2.83 years to recover the conversion cost). This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the project is completed, or in two years, whichever is less.

YES - 1422 NO - 367

CARRIED AS AMENDED TO \$0

ARTICLE 31: (Special) To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) for the purpose of AUTOMATING FOR AMERICAN DISABILITIES ACT COMPLIANCE NECESSARY DOORS AT THE CONWAY PUBLIC LIBRARY, TOWN HALL AND CONWAY COMMUNITY BUILDING. This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the renovation is completed or in two years, whichever is less.

YES - 1395 NO - 434 CARRIED

ARTICLE 32: (Special) To see if the Town will vote to appropriate Nineteen Thousand Five Hundred Fifty One Dollars (\$19,551) (gross budget) for a FEDERAL LOCAL LAW ENFORCEMENT BLOCK GRANT. Of the total amount, One Thousand Nine Hundred Fifty Five Dollars (\$1,955) shall be raised by taxes as the Town's grant match, and the balance of Seventeen Thousand Five Hundred Ninety Six Dollars (\$17,596) shall be received as revenue from the Block Grant. The Block Grant is to buy equipment and provide overtime pay for a BICYCLE PATROL PROGRAM. This will be a non-lapsing account per RSA 32:3, VI, and will not lapse until the program money is expended, or in two years, whichever is less.

YES - 1259 NO - 572 CARRIED

ARTICLE 33: Shall the Town vote to modify the ELDERLY EXEMPTIONS FROM PROPERTY TAX in the Town of Conway, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years of age \$25,000; for a person 75 years of age up to 80 years \$40,000; for a person 80 years of age or older \$50,000. To qualify, the person must have been a New Hampshire resident for at least 5 consecutive years next prior to date of qualification, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$14,000, or if married a combined net income of not more than \$21,000; and own net assets of not more than \$50,000, excluding the value of the person's residence.

YES - 1551 NO - 300 CARRIED

ARTICLE 34: To see if the Town will vote to accept LANDROCK ROAD as a Town Road contingent upon the placement of an additional 1-1/2" of pave-

ment, in accordance with Town Road Standards.

YES - 954 NO - 816 CARRIED

ARTICLE 35: To see if the Town will vote to accept as a Town road, the road presently known as **WYLIE COURT, WINDSOCK ESTATES**, as it runs from Route 16 to the cul de sac at its terminus subject to a betterment assessment to the abutting landowners. The betterment assessment shall include repair and upgrade expenses and all engineering fees and costs related to said upgrade. This road is to be maintained as a Town road. [Provided that the petitioners grant to the Town marketable legal title to said road and terminus for turn-around to meet Town road geometric specifications within one (1) year and further, is subject to funding approval for the project costs by the voters on the 1998 Town Meeting Warrant.]

YES - 807 NO - 967 DEFEATED

ARTICLE 36: To see if the Town will vote to **ACCEPT** as Town roads the roads presently known as **EASTERN AVENUE AND BURBANK AVENUE (now known as LUPINE LANE)** located on the East Conway Road, subject to a betterment assessment to the abutting landowners. The betterment assessment shall include the addition of 1.5 inches of pavement, monumentation, surveying and other incidental costs to comply with the Town Road Standards. Agreeable to a petition signed by David Jensen and others. [Provided that the petitioners grant to the Town marketable legal title to said roads and termini for turn-around to meet Town road geometric specifications within one (1) year and further, is subject to funding approval for the project costs by the voters on the 1998 Town Meeting Warrant].

YES - 856 NO - 905 DEFEATED

[AMENDED to delete the words "subject to a betterment assessment to the abutting landowners. The betterment assessment shall include" and **ADDING** in place of those words "contingent upon"]

ARTICLE 37: To see if the Town will vote to require the Board of Selectmen to **SUBMIT ALL ONE-TIME EXPENDITURES AS SPECIAL ARTICLES ON THE WARRANT.**

YES - 1222 NO - 529 CARRIED

ARTICLE 38: To see if the Town will vote to raise and appropriate a special request for Seven Thousand Five Hundred Dollars (\$7,500) for the **OPERATING EXPENSES FOR THE EASTERN SLOPE REGIONAL AIRPORT.**

YES - 813 NO - 989 DEFEATED

[AMENDED to add the words: "subject to audit by the Town Manager".]

ARTICLE 39: To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Sixty Dollars, (\$80,060), said sum to be allocated to the **NORTH CONWAY COMMUNITY CENTER** for programs of the North Conway Community Center.

YES - 1108 NO - 723 CARRIED

ARTICLE 40: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Four Hundred Seventy Eight Dollars (\$7,478) to assist **CARROLL COUNTY MENTAL HEALTH SERVICES.**

YES - 1074 NO - 769 CARRIED

ARTICLE 41: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Six Hundred Seventy Eight Dollars (\$7,678) to assist the **FAMILY HEALTH CENTRE.** YES - 1134 NO - 747 CARRIED

ARTICLE 42: To see if the Town will vote to raise and appropriate the sum of Two Thousand Forty Three Dollars (\$2,043) in support of **CARROLL COUNTY AGAINST DOMESTIC VIOLENCE AND RAPE** providing crisis services to the victims of domestic and sexual violence and their children.

YES - 1379 NO - 525 CARRIED

ARTICLE 43: To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the **NORTH CONWAY DAY CARE CENTER.**

YES - 1041 NO - 841 CARRIED

ARTICLE 44: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) to be awarded to the **VAUGHAN COMMUNITY SERVICE, INC.**

YES - 1026 NO - 811 CARRIED

ARTICLE 45: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Four Hundred Forty Dollars (\$10,440) for the **VISITING NURSE & HOSPICE CARE SERVICES OF NORTHERN CARROLL COUNTY, INC.**

YES - 1426 NO - 448 CARRIED

ARTICLE 46: To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000) for the **EARLY SUPPORTS & SERVICES PROGRAM (birth to 3 years) OF CHILDREN UNLIMITED, INC.**

ARTICLE 57: To see if the Town will vote to accept the provisions of RSA 202-A, 4, (d), providing that any Town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Conway Public Library Trustees to accept, without further action by the Town Meeting, gifts of personal property, other than money, which may be offered to the Library for any public purpose; provided, however, that prior to the acceptance of any gift valued over \$5,000, the Conway Public Library Trustees shall hold a public hearing on the proposed acceptance.

YES - 1612 NO - 215 CARRIED

ARTICLE 58: To see if the Town will vote to authorize the Selectmen to indefinitely accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e, and such authorization shall remain in effect until rescinded by a vote of Town Meeting. The Selectmen shall hold a public hearing before accepting such gifts, and acceptance shall not bind the Town to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of any such personal property.

YES - 1572 NO - 259 CARRIED

ARTICLE 59: To see if the Town will vote to authorize the Board of Selectmen to indefinitely accept, on behalf of the Town, gifts, legacies and devises made to

the Town in trust for any public purpose, as permitted by RSA 31:19, and such authorization shall remain in effect until rescinded by a vote of Town Meeting.

YES - 1564 NO - 258 CARRIED

ARTICLE 60: To see if the Town will vote to accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.

YES - 1410 NO - 392 CARRIED

ARTICLE 61: To see if the Town will vote to authorize the Board of Selectmen to withdraw Capital Reserve Funds established by the Town prior to 1997, and disburse the same in accordance with the purposes for which such funds were created respectively.

YES - 1480 NO - 333 CARRIED

ARTICLE 62: To act upon any other business that may legally come before said meeting.

[Proposed and seconded that it be made a referendum that any surplus funds from the municipal budget be used for improvement and maintenance of Hussey Field.]

CONWAY TOWN WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF CONWAY, County of Carroll, in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Karl Seidenstuecker Gymnasium at Kennett High School, Conway, New Hampshire, on Wednesday, February 4, 1998, at 7:00 p.m. for the deliberative portion of the annual Town Meeting to discuss and amend if deemed appropriate, Articles 9 through 34 hereinafter set forth. Final voting action on all Articles, 1 through 34, shall take place by ballot on Tuesday, the 10th day of March, 1998, at the Conway Community Building, East Main Street, Center Conway, New Hampshire. The polls shall open for balloting at 8:00 a.m., or as soon thereafter as the Moderator calls the meeting to order, and shall close at 7:00 p.m.

ARTICLE 1: To choose all necessary officers.

ARTICLE 2: To see whether or not the Town will vote to adopt Amendment No. 1 as proposed by the Conway Planning Board to the Town Zoning Ordinance which creates new definitions for "Heliport" and related new definitions, and a new definition for "Scenic Tour Operation" and adds new special exceptions subject to conditions which may allow heliports in the Residential/Agricultural District (147-11.B(8)) for private/non commercial use, and in the Recreation Resort District (147-11.2.C.) for private/business accessory use, and in the Floodplain Conservation District (147-14.D(1)(n)) as a private/business accessory use, and as a special exception in the Business District (147-12.A(3)) and (147-12.B.) provided the latter is limited to the East Conway Road area between the former Maine Central Railroad and Mason Brook. Recommended by the Planning Board (5-1-1).

ARTICLE 3: To see whether or not the Town will vote to adopt Amendment No. 2 as proposed by the Conway Planning Board to the Town Zoning Ordinance which creates a new district to be known as "Industrial-2 District" (147-12.2) for industrial use on the East Conway Road area between the former Maine Central Railroad and Mason Brook which excludes uses for residential, hotel, motel and retail stores in excess of 5,000 square feet (excepting the Whitelaw Subdivision lots) and which requires a two (2) acre minimum lot size, setbacks requiring fifty (50) feet on the front and thirty (30) feet side and rear, and changes the limits of the boundaries for the Highway Commercial District in Redstone area northerly of Route 302 to a 2000' strip between Route 302 and the former Maine Central Railroad. Recommended by the Conway Planning Board (6-0-0).

ARTICLE 4: To see whether or not the Town will vote to adopt Amendment No. 3 as proposed by the Conway Planning Board to the Town Zoning Ordinance which creates a new special exception (147-11.B(9)) which may permit, subject to conditions, kennels and commercial breeding facilities in the Residential/Agricultural District on lots having a minimum size of two (2) acres and permits keeping of domestic farm animals in the Business District (147-12) on lots having a minimum lot size of one (1) acre, but prohibits the keeping of

farm animals in the existing "Industrial - 1 District" (Hobbs Street) (147-12.1) and also creates two (2) new Village Residential Districts (147-11.3) for portions of Conway Village and North Conway Village easterly of the former Maine Central Railroad with uses for residential, tourist, lodging, boarding and rooming homes and other habitable structures with no keeping of farm animals, provided that by special exception and subject to conditions uses may include private educational facilities, day-care centers and post offices; and adds new definitions to the ordinance for domestic farm animals and domestic animals and also describes in the Ordinance the actual Village Residential Districts created. Recommended by the Conway Planning Board (6-0-0).

ARTICLE 5: To see whether or not the Town will vote to adopt Amendment No. 4 as proposed by the Conway Planning Board to the Town Zoning Ordinance which permits a special exception subject to conditions, for Wireless Communication Facilities (147-17.3) in the Residential/Agricultural District, Recreational Resort District, Industrial District and Mountain Conservation District, and adds a new definition for the use and prohibits facilities fifty-five (55) feet or more in any Village Districts, Wetland Conservation District, Floodplain Conservation District and Highway Commercial District. Recommended by the Conway Planning Board (6-0-0).

ARTICLE 6: To see whether or not the Town will vote to adopt Amendment No. 5 as petitioned by Chester B. Lucy and others to the Town Zoning Ordinance which creates a new section to the Zoning Ordinance (147-10.1) prohibiting takeoffs and landings of helicopters or other rotary wing aircraft within the limits of the Town except for medical, evacuation and other emergency services essential to health and safety, provided a special exception subject to conditions may be granted for certain short-term events such as construction and survey work, and certain recreational events. Recommended by the Conway Planning Board (3-2-1).

ARTICLE 7: To see whether or not the Town will vote to adopt Amendment No. 6 as petitioned by Miriam Deraney and others to the Town Zoning Ordinance which amends the Business District uses for the Center Conway Village Commercial District (147-12.A(2)) by adding four (4) additional conditions (total of six (6)) which conditions prohibit retail uses in excess of 3,000 square feet, limits wholesale and light industry only as accessory to residential uses, prohibits hazardous material storage tanks above and below ground except for heating fuel for residential or commercial or an approved use, and prohibits garages and filling stations, and adds definitions to the Zoning Ordinance for "industry", "heavy industry" and "hazardous materials". Recommended by the Conway Planning Board (6-0-0).

ARTICLE 8: To see whether or not the Town will vote to adopt Amendment No. 7 as petitioned by Dot Seybold and others to the Town Zoning Ordinance which amends a portion of the Sign Ordinance (147-19.F) to permit by special exception, subject to conditions, a freestanding commercial sign within a private platted right-of-way not closer than ten (10) feet of a public road as at its intersection; and also amends the Sign Ordinance (147-19.L(4)) to allow non conform-

ing signs and consolidated signs to be moved closer to a public road one (1) foot for every two (2) square feet the non conforming sign is reduced in area size, provided it shall not be moved closer than ten (10) to the edge of the public right-of-way. Not recommended by the Conway Planning Board (1-5-0).

ARTICLE 9: (Bond) To see if the Town will vote to raise and appropriate the sum of One Million Seven Hundred Thirty Two Thousand Dollars (\$1,732,000) for the purpose of constructing an **Addition to the CONWAY PUBLIC LIBRARY**, to include **improvements to the existing structure**; and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act, with the Selectmen authorized to arrange all terms and conditions of such borrowing and its repayment, to be acted on by separate ballot of the Town. Agreeable to a petition signed by Robin Waters and others. Not recommended by the Board of Selectmen (2-3-0). Recommended by the Budget Committee (4-1-6).

ARTICLE 10: (Separate) To see if the Town will vote to approve a five year nine month (5 year, 9 month) contract for **EMERGENCY AMBULANCE SERVICE** between the Town of Conway and two providers (North Conway Ambulance, Inc. and Conway Village Fire District) beginning April 1, 1998, with an indefinite one (1) year rollover clause which, if not executed by the Board of Selectmen at its discretion, shall then terminate the contract at the end of the balance of the the contract term. Further to raise and appropriate One Hundred Nineteen Thousand Eight Hundred Thirteen Dollars (\$119,813) to be disbursed to the two providers in accordance with the contract provisions for 1998. This amount is in addition to the Thirty Eight Thousand Seven Hundred Twelve Dollars (\$38,712) contained in Warrant Article #11, the Operating Budget Article, which is the cost of ambulance services from January 1 to March 31, 1998. The yearly cost of contract for the calendar years 1999 through 2003 is a fixed sum of One Hundred Fifty Nine Thousand Seven Hundred Fifty Dollars (\$159,750). Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (11-0-0).

ARTICLE 11: (Operating Budget) Shall the Town of Conway raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant for the purposes set forth therein, totaling Five Million Nine Hundred Eighty One Thousand Seven Hundred Sixty Six Dollars (\$5,981,766)? Should this article be defeated, the operating budget shall be Five Million Seven Hundred Fifty Nine Thousand Nine Hundred Seventy Eight Dollars (\$5,759,978), which is the same as last year, with certain adjustments required by previous action of the Town of Conway or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Recommended by the Board of Selectmen (5-0-0). Not recommended by the Budget Committee (2-8-0).

ARTICLE 12: (Special) To see if the Town will vote to raise and appropriate the sum of Forty One Thousand Dollars (\$41,000) for the purpose of **RECONSTRUCTING THE TENNIS AND BASKETBALL COURTS AT DAVIS PARK**. This appropriation is in addition to Warrant Article #11, the Operating Budget Article. Recommended by the Board of Selectmen (3-2-0). Recommended by the Budget Committee (7-2-1).

ARTICLE 13: (Special) To see if the Town will vote to establish a CAPITAL RESERVE FUND ENTITLED "INFRASTRUCTURE RECONSTRUCTION" and authorize the Board of Selectmen to withdraw and disburse funds in accordance with the purpose of the fund. Further, to raise and appropriate the sum of One Hundred Ninety Three Thousand Four Hundred Dollars (\$193,400) for 1998 funding. In future years fund amounts to be raised and appropriated shall be contained in the Operating Budget under "Capital Reserve Funds". This appropriation is in addition to Warrant Article #11, the Operating Budget Article. Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (10-1-0).

ARTICLE 14: (Separate) To see if the Town will vote to approve the cost items of a one year COLLECTIVE BARGAINING AGREEMENT for the calendar year 1998 between the Town of Conway and AFSCME #93, Local #859, DEPARTMENT OF PUBLIC WORKS, having a total estimated contract cost for 1998 of Five Hundred Forty Nine Thousand Six Hundred One Dollars (\$549,601) which amount is included in Warrant Article #11, the Operating Budget Article. No further amount of money is required to be raised and appropriated as there are no additional increases in total salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. Recommended by the Board of Selectmen (4-0-0). Recommended by the Budget Committee (11-0-0).

ARTICLE 15: (Petition) To see if the Town will vote to lay out the private roads within the subdivision known as DANDIVUE (a portion thereof), BALSAM LANE, EVERGREEN DRIVE AND LAUREL LANE. In lieu of a "Betterment", the following conditions shall be met prior to acceptance: (1) place an additional one (1) inch of bituminous pavement in accordance with the Town Road Standards; (2) place granite monumentation marking the right-of-way in accordance with Town Road Standards; (3) provide an as-built road plan with a surveyor's certification that the right-of-way bounds have been set as shown on the plans; (4) provide a fee simple deed, accompanied by a metes and bounds description, prepared by a surveyor licensed in the State of New Hampshire. Agreeable to a petition signed by David A. Burdette and others.

ARTICLE 16: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate Seven Thousand Five Hundred Dollars (\$7,500) for the SUPPORT OF THE EASTERN SLOPE REGIONAL AIRPORT. Agreeable to a petition signed by Roy A. Lundquist and others. Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (8-3-2).

ARTICLE 17: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Seventy Five Thousand Dollars (\$75,000), said sum to be allocated to the NORTH CONWAY COMMUNITY CENTER for programs of the North Conway Community Center. Agreeable to a petition signed by Melinda A. Puglisi and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (10-1-1).

ARTICLE 18: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Seven Thousand Four Hundred

Seventy Eight Dollars (\$7,478) to assist **CARROLL COUNTY MENTAL HEALTH SERVICES**. Agreeable to a petition signed by Benita Silver and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

ARTICLE 19: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Seven Thousand Six Hundred Seventy Eight Dollars (\$7,678) to assist the **FAMILY HEALTH CENTRE**. Agreeable to a petition signed by Linda Fox Phillips and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

ARTICLE 20: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Two Thousand One Hundred Dollars (\$2,100) in support of **STARTING POINT (formerly known as CARROLL COUNTY AGAINST DOMESTIC VIOLENCE & RAPE)** providing crisis services to the victims of domestic and sexual violence and their children. Agreeable to a petition signed by Susan K. Proctor and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

ARTICLE 21: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the **NORTH CONWAY DAY CARE CENTER**. Agreeable to a petition signed by Elizabeth H. George-Hussey and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (11-0-1).

ARTICLE 22: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) to be awarded to the **VAUGHAN COMMUNITY SERVICE, INC.** Agreeable to a petition signed by Eugene R. Hussey and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

ARTICLE 23: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Ten Thousand Four Hundred Forty Dollars (\$10,440) for the **VISITING NURSE & HOSPICE CARE SERVICES OF NORTHERN CARROLL COUNTY, INC.** Agreeable to a petition signed by Maryellen LaRoche and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-1).

ARTICLE 24: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) for the **EARLY SUPPORTS & SERVICES PROGRAM (birth to 3 years) OF CHILDREN UNLIMITED, INC.** Agreeable to a petition signed by Maryellen LaRoche and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (10-0-3).

ARTICLE 25: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand One Hundred Forty Two Dollars (\$25,142) for support of the **GIBSON CENTER FOR SENIOR SERVICES, INC.** Agreeable to a petition signed by Karen James and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

ARTICLE 26: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the purpose of assisting the CONWAY VILLAGE CHAMBER OF COMMERCE in its year-round efforts to provide general information services to citizens and visitors through its Information Booth in Conway Village. Agreeable to a petition signed by Leslie Gibbs and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (8-5-0).

ARTICLE 27: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Eight Hundred Forty Five Dollars (\$20,845) for the support of CHILDREN'S HEALTH CENTER. Agreeable to a petition signed by Barbara S. Lucy and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-1).

ARTICLE 28: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Six Thousand Three Hundred Twenty Two Dollars (\$6,322) to defray the expenses of service programs and operating cost of the MOUNT WASHINGTON VALLEY CHAPTER OF THE AMERICAN RED CROSS, who takes our Cares and Concerns and puts it into Action. Agreeable to a petition signed by Jeffrey Ohman and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (13-0-0).

ARTICLE 29: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the support of the TRI-COUNTY COMMUNITY ACTION for the purpose of continuing services of the Fuel Assistance Program for the residents of Conway. Agreeable to a petition signed by Barbara J. Barker and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (10-0-3).

ARTICLE 30: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Three Thousand Six Hundred Forty Dollars (\$3,640) for the FAMILY SUPPORT PROGRAM of the Center of Hope. Agreeable to a petition signed by Kathleen Covell and others. Not recommended by the Board of Selectmen (2-2-1). Not Recommended by the Budget Committee (5-6-2).

ARTICLE 31: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Dollars (\$1,300) in support of the CONWAY HISTORICAL SOCIETY with money to be used for renewal of insurance on the Eastman-Lord House Museum. Agreeable to a petition signed by Patricia J. Wickers and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (13-0-0).

ARTICLE 32: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Two Thousand Seven Hundred Sixty Nine Dollars (\$2,769) for the support of the MOUNT WASHINGTON VALLEY ECONOMIC COUNCIL. Agreeable to a petition signed by Helen Riley and

others. Recommended by the Board of Selectmen (4-1-0). Recommended by the Budget Committee (12-0-1).

ARTICLE 33: To see if the Town will vote to rescind the authorization for borrowing the balance of Article 6 of 1995, the **CLOSURE OF THE OLD LANDFILL**, in an amount of One Hundred Eighty Four Thousand Five Hundred Ninety One Dollars (\$184,591).

ARTICLE 34: To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway, New Hampshire, this 20th day of January, 1998.

TOWN MANAGER'S ANNUAL REPORT 1997

Every year offers new challenges, a variety of issues, topics of controversy, problems to be solved, personnel matters to deal with, and management/leadership decisions to be made. In 1997 such an anticipated agenda became a reality, with highlights of the year as follows:

- * Successful implementation of the BALLOT (SB2) voting process.

- * Completion of the West Side Road project.

- * Dealing with manpower changes as a result of two retirements, one resignation for a career opportunity change, and one highly publicized controversial personnel issue.

- * Operating budget decisions to cope with a 42% medical insurance premium increase, landfill expansion requirements, the Town's infrastructure needs, and the monetary impact of the area's unpredictable weather.

- * The renovation of the second floor at Town Hall.

- * Steering a Growth Management and Environmental Strategic Planning process to create a vision of the future and determine the actions necessary to protect that vision.

- * Involvement in the 9A Bypass project from the Citizens' Design Review Committee to neighborhood reachout meeting for consensus building.

The 1998 crystal ball sees a continuation of fine-tuning the Ballot Voting process, moving forward with the landfill expansion and infrastructure reconstruction/maintenance, which both require budgetary voter support, as well as the ongoing involvement with the 9A Bypass. New matters to deal with include a complete remapping of the Town with a state-of-the-art computerized format, implementing Growth Management and Environmental Planning ideas, and consensus acceptance and adoption of the Whitaker Properties use plan, with movement towards implementation by phases. While far from being all inclusive, the above demonstrates that I, town staff, elected and appointed leaders, volunteers, and you, the taxpayers and residents, have a busy year ahead.

Under a different section of the Annual Report you will find my Budget Narrative and an overview of the Town's current financial position in the economy.

I want to express my continued appreciation for the Board of Selectmen's support and our professional rapport and work-together relationship. In addition, I cannot say enough for the loyalty, proficiency and efficiency, and ethical standards the Town employees demonstrate.

My staff and I wish all of you the very best. We truly welcome your input and ideas, and will always strive to do our best in serving you.

Respectfully submitted,
James B. Somerville, Town Manager

ANNUAL NARRATIVE FINANCIAL/BUDGET REPORT

**Submitted by: James B. Somerville, Town Manager
January 1, 1998**

OPENING COMMENTS:

The purpose of this report is to provide the Town's residents, taxpayers and voters with a vehicle to better understand the annual budget which they are being asked to vote on. The report attempts to take \$6 million of complex numbers and put them into logical words, with insight into management's financial philosophy, and how operations, services and manpower relate to the budget. The report highlights increases and decreases, and provides an overview of the Town's financial condition and posturing in today's economy.

I carry forward my confidence from last year that the Town of Conway will vote with a better understanding of the operational budget, and will support the budget as accountable and responsible in the providing of municipal services in an efficient and cost effective manner.

GENERAL OVERVIEW:

A. The Town's financial profile shows continued improvement for the sixth consecutive year. Some causes of this encouraging trend are highlighted as follows:

1. Town continues to experience favorable borrowing rates and once again received State/Federal assistance in funding some projects.
2. The economy remained healthy during 1997, which caused an increase in revenues, additional property value growth, and fewer unpaid taxes.
3. The low unemployment rate in the area put less strain on the Town's Welfare roles.
4. Some staffing level shifts, based on operational needs, took place which provided savings and performance efficiencies.
5. Transition to a new Finance and Clerk/Collector computer/software system has paid dividends in customer service and absorbing increased work load demands without having to add to the work force.
6. Recycling of construction debris has been a good revenue producer in Solid Waste.
7. After almost six years, departments know my management philosophy and expectations. Spending is carefully scrutinized, caution always pre-

vails in anticipation of revenues, and high employee performance standards are the rule not the exception.

B. The 1997 operating expenditures, subject to final audit, came in under appropriation by 1%+(\$67,000). In the accounting and budgeting world this is considered extremely tight, with approximately 250 different budget line items (categories) to deal with. Management recognizes that there are always new ideas and room for improvement at the same time, however, it is justified to state that one would be hard pressed to find FAT in the Town's Operating Budget. Municipal Management cannot over expend the gross budget appropriation, but it must retain the ability to be flexible in order to deal with the complexity and diversity of operations to assure the delivery of quality service within the total appropriation granted by the voters.

BUDGET PHILOSOPHY:

The budget philosophy for 1998 is consistent with the practices and experiences of the trend of 1993 thru 1997 which was stated as "continuing to evaluate each and every department, identify areas of excess, ways to consolidate and cross train/utilize manpower, find more effective ways to get the job done or to purchase services/supplies, continually ask questions such as: "Can it wait? Do we need it? Can we do it for less cost? Can someone else do it? Where is it on the prioritized list? Is the service essential", etc. This philosophy has once again generated a budget which for 1998 is manageable and is accountable. There is nothing arbitrary within the 1998 budget. It is a continued reflection of hard work by people who care and are tasked with "running a six million plus dollar operation like a business."

BUDGET ANALYSIS:

Only significant changes from the 1997 budget are discussed.

Employee Benefits:

The Town received a health insurance premium increase of 41% for 1998 (in 1997 the rate actually decreased 15.4%). A significant portion was absorbed by the employees through the Town's Flexible Benefits Plan. Employees hired prior to 1-1-96 will be paying equal to 30% of the Comp 100 premium. Those hired after 1-1-96 pay 50%, and over 10% of eligible employees have opted out of Town coverage (they receive \$750) which saves the Town several thousand dollars a year per employee. The Town's share as part of the Employee Benefits budget category represents a 10% increase after the above cost sharing washes through the system.

Government Buildings:

The increase reflects adjustment to utility costs, mandated testing of public water (wells), ventilation air displacement system at highway maintenance garage, and continued improvements to the Conway Community Building (old Pine Tree School).

Police Department:

The increase is due to a combination of wages, as the department is now at full staffing level, extended traffic control coverage, health insurance costs (not included in Employee Benefits category discussed above).

Ambulances:

The budget shows ambulance service costs through March 31, 1998. A new long term contract is presented to the voters in Article #10 of the Ballot.

Fire - Non Precinct:

In 1997 funding went back to the precincts. The Town, through an Agreement, provides funds for fire protection to the non precinct areas of Town. This was transitionally presented to the voters last year as a separate article. The appropriation is not part of the broad base taxes and is a separate fire protection assessment to the non precinct property owners.

Code Enforcement:

The zoning enforcement responsibilities have been shifted to the Planning and Zoning Department. The elimination of the part time zoning enforcement official and changing the Planning Director's position to Town Planner/Zoning Officer saves approximately \$15,000 in payroll/benefits.

Highway:

The department budget is up \$16,000; however, that entire amount is offset in the gas/diesel line item. A computerized fuel system is now in place at the highway garage which also accommodates the school bus/vehicle fleet for which the Town is reimbursed for the school's usage. Scrutiny of individual line items will reveal that most are level funded, Labor is down and Bridge Maintenance is down (but is included in Article 13, Infrastructure/Reconstruction), and Asphalt has been increased to allow a proper maintenance program.

Solid Waste:

The past two years we have expended \$134,000 and \$140,000, respectively, to process and haul leachate created by the landfill. At the same time we appropriated \$81,000 and \$90,000. It is better judgment to not second guess the weather and risk a shortfall budget when statistics show a higher spending level. The 1998 budget, therefore, has a leachate anticipated expenditure increase of \$40,000.

Parks & Recreation:

\$9,000 of the \$10,400 increase is offset by a grant for junior high age programs. No matching funds are required.

Library:

The library's budget includes a new part time computer/consultant position, and increases in Equipment Maintenance and Furniture line items.

Interest on TANs:

In the spring of 1992 prior to my June Town Manager start date, the Town borrowed \$4 million in TANs (Tax Anticipation Notes). Through planned cash management efforts of the Treasurer, Finance Director, and myself; along with the cooperation of the Board of Selectmen, Budget Committee and the voters, the Town has achieved a financial position for 1998 which will not require securing TANs in May with a December 31 payoff. Instead, the Town will be floating a line of credit to draw against as cash flow requires, with payback as cash flow allows. This ability and financing approach provides for the interest expense savings and lowers the Town's exposure from the 1992 \$4 million level to the \$1 million range.

Capital Reserve Funds:

a. Surveys & Mapping: The lesser amount for 1998 is the amount needed for the contract award for the Town's mapping project.

b. Landfill Closure: Increase is to meet Federal (EPA) mandated funding levels for future closure and testing requirements.

c. Landfill Expansion: Why borrow when through financial management and construction planning the Town can pay cash? The increase from \$96,000 to \$350,000 for the years 1998 and 1999 will allow the landfill to be expanded to the next cell phase during the '98-'99 construction seasons without borrowing. Not expanding and using the asset the Town has, simply makes no economic sense. (Please see the Public Work's Director's Report.) In the year 2000 the amount to be appropriated will roll back to \$180,000 a year which will provide sufficient funds for the third phase of construction in approximately the year 2009.

CLOSING COMMENTS:

The 1998 Selectmen's Operating Budget and Selectmen's Special/Separate Articles, when combined and compared to 1997 (less estimated revenues), reflects an increase of \$253,007 (7.14%). One must ask "What is the value I get for the additional money?" Answers!

a. A road/bridge maintenance/reconstruction infrastructure program which provides for ongoing maintenance and catch up on a system that was abused in the late '80s and early '90s. Not caring for the infrastructure will have an increased cost impact in the future.

b. Building of the Phase II Landfill Expansion. Not doing so will have an almost immediate negative cost impact on the Town as we will have to haul

out of Town and pay tipping fees which will far exceed our controlled and known landfill operating costs.

c. A renovated Davis Park.

d. Long term emergency services ambulance contract.

e. State-of-the-art remapping of the Town with computer usability. Maps should not require future redoing with proper maintenance of the system.

f. Continued high quality delivery of municipal services.

The above can be accomplished with voter support and with the knowledge that in October, 1998, the Town's tax rate (excluding school, precinct, and county) will not go up. Voters must realize that Town Meeting actions that increase appropriations from those recommended will likely cause a corresponding increase in the tax rate.

The Town continues to be in good financial status and to be benefiting from the growing economy. As seen through less borrowing and higher revenues, the Town is doing well and anticipates a positive and solid 1998. Economies are cyclical, and I am confident that the planning and financial posturing we are doing over the up-years will assure the Town's future financial well being when a few down-years circle back around.

Your comments and ideas are always welcome and appreciated. I hope that you have found this report to be helpful and informative.

BALANCE December 31, 1997		2,095.09

The year 1997 was a satisfactory one again, financially, for the Town thanks to the prudent management of the Town's affairs by the Town Manager and the Selectmen. Short term interest costs were well covered by interest income. The good results attained, together with increased property valuations will allow us to pay for the much-needed completion of the Phase II Landfill project without incurring additional bonded debt in 1998.

My thanks to the staff in our Finance Office for their hard work this past year.

Respectfully submitted,
Gene Drolet, Treasurer

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the
Board of Selectmen
Town of Conway
Conway, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Conway as of and for the year ended December 31, 1996. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Conway has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Conway, as of December 31, 1996, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Conway. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated February 14, 1997 on our consideration of the Town of Conway's internal control structure and a report dated February 14, 1997 on its compliance with laws and regulations.

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of the
Board of Selectmen
Town of Conway
Conway, New Hampshire

In planning and performing our audit of the Town of Conway for the year ended December 31, 1995, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

The following matters came to our attention that we have discussed with management as opportunities for efficiency and/or cost savings related to the administration of the Town:

YIELD TAXES

Our management letter covering the audit completed for the year ended December 31, 1990 indicated problems in the Tax Collector receiving yield tax warrants on a timely basis. It also mentioned one instance in which a lien was not able to be filed due to the late nature of the warrants. For the year ended December 31, 1995, the uncollected taxes for these levies remain unpaid. We recommend the Selectmen abate these balances as other legal action to attempt the collection of these monies has proved futile.

GROSS BUDGETING

During the year the Town spent \$29,744 from the Special Revenue Funds. These included miscellaneous Library Fund revenue, Hubbard and Davis Forest

Reserve Funds and the Conservation Commission General Account. These funds were spent without a formally adopted budget. Since the new Municipal Budget Act revision was passed in 1993, emphasis is being placed on Towns to adopt a budget on a gross basis. In this regard, we recommend that the Town attempt to formally adopt a budget for all governmental funds, which include the Special Revenue Funds.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

1998 Annual Town Ballot and Voting Worksheet and Supporting Documents

Ballot

Amendments to articles as they occurred at the February 4th Deliberative portion of Town Meeting have been made and the Warrant has been converted to a YES___ NO___ Ballot format. The Town Ballot contained herein is as you will see it on the 2nd Tuesday in March (10th) when you go the polls.

Worksheet

You are encouraged to complete the worksheet and bring it to the voting place on March 10, 1998. Last year the worksheet proved to be very helpful and was a major time saver in facilitating the voting process. The entire gray colored section of the Annual Report is a tear-out insert for your convenience.

Subject Matter Information

To assist you in being informed on the subject matter and issues, which will guide your independent YES___ NO___ voting decisions, you would be served well by reading the Annual Report. The following references should be especially helpful:

Articles

ARTICLE 2: To see whether or not the Town will vote to adopt Amendment No. 1 as proposed by the Conway Planning Board to the Town Zoning Ordinance which creates new definitions for “Heliport” and related new definitions, and a new definition for “Scenic Tour Operation” and adds new special exceptions subject to conditions which may allow heliports in the Residential/Agricultural District (147-11.B(8)) for private/non commercial use, and in the Recreation Resort District (147-11.2.C.) for private/business accessory use, and in the Floodplain Conservation District (147-14.D(1)(n)) as a private/business accessory use, and as a special exception in the Business District (147-12.A(3)) and (147-12.B.) provided the latter is limited to the East Conway Road area between the former Maine Central Railroad and Mason Brook. Recommended by the Planning Board (5-1-1).

YES ☐
NO ☐

ARTICLE 3: To see whether or not the Town will vote to adopt Amendment No. 2 as proposed by the Conway Planning Board to the Town Zoning Ordinance which creates a new district to be known as “Industrial-2 District” (147-12.2) for industrial use on the East Conway Road area between the former Maine Central Railroad and Mason Brook which excludes uses for residential, hotel, motel and retail stores in excess of 5,000 square feet (excepting the Whitelaw Subdivision lots) and which requires a two (2) acre minimum lot size, setbacks requiring fifty (50) feet on the front and thirty (30) feet side and rear, and changes the limits of the boundaries for the Highway Commercial District in Redstone area northerly of Route 302 to a 2000’ strip between Route 302 and the former Maine Central Railroad. Recommended by the Conway Planning Board (6-0-0).

YES ☐
NO ☐

ARTICLE 4: To see whether or not the Town will vote to adopt Amendment No. 3 as proposed by the Conway Planning Board to the Town Zoning Ordinance which creates a new special exception (147-11.B(9)) which may permit, subject to conditions, kennels and commercial breeding facilities in the Residential/Agricultural District on lots having a minimum size of two (2) acres and permits keeping of domestic farm animals in the Business District (147-12) on lots having a minimum lot size of one (1) acre, but prohibits the keeping of farm animals in the existing “Industrial - 1 District” (Hobbs Street) (147-12.1) and also creates two (2) new Village Residential Districts (147-11.3) for portions of Conway Village and North Conway Village easterly of the former Maine Central Railroad with uses for residential, tourist, lodging, boarding and rooming homes and other habitable structures with no keeping of farm animals, provided that by special exception and subject to conditions uses may include private educational facilities, day-care centers and post offices; and adds new definitions to the ordinance for domestic farm animals and domestic animals and also describes in the Ordinance the actual

Village Residential Districts created. Recommended by the Conway Planning Board (6-0-0).

YES ☐

NO ☐

ARTICLE 5: To see whether or not the Town will vote to adopt Amendment No. 4 as proposed by the Conway Planning Board to the Town Zoning Ordinance which permits a special exception subject to conditions, for Wireless Communication Facilities (147-17.3) in the Residential/Agricultural District, Recreational Resort District, Industrial District and Mountain Conservation District, and adds a new definition for the use and prohibits facilities fifty-five (55) feet or more in any Village Districts, Wetland Conservation District, Floodplain Conservation District and Highway Commercial District. Recommended by the Conway Planning Board (6-0-0).

YES ☐

NO ☐

ARTICLE 6: To see whether or not the Town will vote to adopt Amendment No. 5 as petitioned by Chester B. Lucy and others to the Town Zoning Ordinance which creates a new section to the Zoning Ordinance (147-10.1) prohibiting takeoffs and landings of helicopters or other rotary wing aircraft within the limits of the Town except for medical, evacuation and other emergency services essential to health and safety, provided a special exception subject to conditions may be granted for certain short-term events such as construction and survey work, and certain recreational events. Recommended by the Conway Planning Board (3-2-1).

YES ☐

NO ☐

ARTICLE 7: To see whether or not the Town will vote to adopt Amendment No. 6 as petitioned by Miriam Deraney and others to the Town Zoning Ordinance which amends the Business District uses for the Center Conway Village Commercial District (147-12.A(2)) by adding four (4) additional conditions (total of six (6)) which conditions prohibit retail uses in excess of 3,000 square feet, limits wholesale and light industry only as accessory to residential uses, prohibits hazardous material storage tanks above and below ground except for heating fuel for residential or commercial or an approved use, and prohibits garages and filling stations, and adds definitions to the Zoning Ordinance for "industry", "heavy industry" and "hazardous materials". Recommended by the Conway Planning Board (6-0-0).

YES ☐

NO ☐

ARTICLE 8: To see whether or not the Town will vote to adopt Amendment No. 7 as petitioned by Dot Seybold and others to the Town Zoning Ordinance which amends a portion of the Sign Ordinance (147-19.F) to permit by special exception, subject to conditions, a freestanding commercial sign within a private platted right-of-way not closer than ten (10) feet of a public road as at its intersection; and also amends the Sign Ordinance (147-19.L(4)) to allow non conforming signs and consolidated signs to be moved closer to a public road one (1) foot for every two (2) square feet the non conforming sign is reduced in area size, provided it shall not be moved closer than ten (10) to the edge of the public right-of-way. Not recommended by the Conway Planning Board (1-5-0).

YES ☐

NO ☐

ARTICLE 9: (Bond) To see if the Town will vote to raise and appropriate the sum of One Million Seven Hundred Thirty Two Thousand Dollars (\$1,732,000) for the purpose of constructing an Addition to the CONWAY PUBLIC LIBRARY, to include improvements to the existing structure; and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act, with the Selectmen authorized to arrange all terms and conditions of such borrowing and its repayment, to be acted on by separate ballot of the Town. Agreeable to a petition signed by Robin Waters and others. Not recommended by the Board of Selectmen (2-3-0). Recommended by the Budget Committee (4-1-6).

YES ☐
NO ☐

ARTICLE 10: (Separate) To see if the Town will vote to approve a five year nine month (5 year, 9 month) contract for EMERGENCY AMBULANCE SERVICE between the Town of Conway and two providers (North Conway Ambulance, Inc. and Conway Village Fire District) beginning April 1, 1998, with an indefinite one (1) year rollover clause which, if not executed by the Board of Selectmen at its discretion, shall then terminate the contract at the end of the balance of the contract term. Further to raise and appropriate One Hundred Nineteen Thousand Eight Hundred Thirteen Dollars (\$119,813) to be disbursed to the two providers in accordance with the contract provisions for 1998. This amount is in addition to the Thirty Eight Thousand Seven Hundred Twelve Dollars (\$38,712) contained in Warrant Article #11, the Operating Budget Article, which is the cost of ambulance services from January 1 to March 31, 1998. The yearly cost of contract for the calendar years 1999 through 2003 is a fixed sum of One Hundred Fifty Nine Thousand Seven Hundred Fifty Dollars (\$159,750). Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (11-0-0).

YES ☐
NO ☐

ARTICLE 11: (Operating Budget) Shall the Town of Conway raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant for the purposes set forth therein, totaling Six Million Fifty Two Thousand Seven Hundred Sixty Six Dollars (\$6,052,766). Should this article be defeated, the operating budget shall be Five Million Seven Hundred Fifty Nine Thousand Nine Hundred Seventy Eight Dollars (\$5,759,978), which is the same as last year, with certain adjustments required by previous action of the Town of Conway or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (10-1-0) as amended.

YES ☐
NO ☐

ARTICLE 12: (Special) To see if the Town will vote to raise and appropriate the sum of Forty One Thousand Dollars (\$41,000) for the

purpose of RECONSTRUCTING THE TENNIS AND BASKETBALL COURTS AT DAVIS PARK. Five Thousand Dollars (\$5,000) of the cost shall be funded through a gift from Mr. Howard Lockwood, contingent upon the Conway voters' support of this article. This appropriation is in addition to Warrant Article #11, the Operating Budget Article. Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (11-0-0) as amended.

YES ☐
NO ☐

ARTICLE 13: (Special) To see if the Town will vote to establish a CAPITAL RESERVE FUND ENTITLED "INFRASTRUCTURE RECONSTRUCTION" and authorize the Board of Selectmen to withdraw and disburse funds in accordance with the purpose of the fund. Further, to raise and appropriate the sum of One Hundred Ninety Three Thousand Four Hundred Dollars (\$193,400) for 1998 funding. In future years fund amounts to be raised and appropriated shall be contained in the Operating Budget under "Capital Reserve Funds". This appropriation is in addition to Warrant Article #11, the Operating Budget Article. Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (10-1-0).

YES ☐
NO ☐

ARTICLE 14: (Separate) To see if the Town will vote to approve the cost items of a one year COLLECTIVE BARGAINING AGREEMENT for the calendar year 1998 between the Town of Conway and AFSCME #93, Local #859, DEPARTMENT OF PUBLIC WORKS, having a total estimated contract cost for 1998 of Five Hundred Forty Nine Thousand Six Hundred One Dollars (\$549,601) which amount is included in Warrant Article #11, the Operating Budget Article. No further amount of money is required to be raised and appropriated as there are no additional increases in total salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. Recommended by the Board of Selectmen (4-0-0). Recommended by the Budget Committee (11-0-0).

YES ☐
NO ☐

ARTICLE 15: (Petition) To see if the Town will vote to lay out the private roads within the subdivision known as DANDIVUE (a portion thereof), BALSAM LANE, EVERGREEN DRIVE AND LAUREL LANE. In lieu of a "Betterment", the following conditions shall be met prior to acceptance: (1) place an additional one (1) inch of bituminous pavement in accordance with the Town Road Standards; (2) place granite monumentation marking the right-of-way in accordance with Town Road Standards; (3) provide an as-built road plan with a surveyor's certification that the right-of-way bounds have been set as shown on the plans; (4) provide a fee simple deed, accompanied by a metes and bounds description, prepared by a surveyor licensed in the State of New Hampshire. Agreeable to a petition signed by David A. Burdette and others.

YES ☐
NO ☐

ARTICLE 16: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate Seven Thousand Five

Hundred Dollars (\$7,500) for the **SUPPORT OF THE EASTERN SLOPE REGIONAL AIRPORT**. Agreeable to a petition signed by Roy A. Lundquist and others. Recommended by the Board of Selectmen (5-0-0). Recommended by the Budget Committee (8-3-2).

YES ☐
NO ☐

ARTICLE 17: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Seventy Five Thousand Dollars (\$75,000), said sum to be allocated to the **NORTH CONWAY COMMUNITY CENTER** for programs of the North Conway Community Center. Agreeable to a petition signed by Melinda A. Puglisi and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (10-1-1).

YES ☐
NO ☐

ARTICLE 18: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Seven Thousand Four Hundred Seventy Eight Dollars (\$7,478) to assist **CARROLL COUNTY MENTAL HEALTH SERVICES**. Agreeable to a petition signed by Benita Silver and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

YES ☐
NO ☐

ARTICLE 19: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Seven Thousand Six Hundred Seventy Eight Dollars (\$7,678) to assist the **FAMILY HEALTH CENTRE**. Agreeable to a petition signed by Linda Fox Phillips and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

YES ☐
NO ☐

ARTICLE 20: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Two Thousand One Hundred Dollars (\$2,100) in support of **STARTING POINT (formerly known as CARROLL COUNTY AGAINST DOMESTIC VIOLENCE & RAPE)** providing crisis services to the victims of domestic and sexual violence and their children. Agreeable to a petition signed by Susan K. Proctor and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

YES ☐
NO ☐

ARTICLE 21: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the **NORTH CONWAY DAY CARE CENTER**. Agreeable to a petition signed by Elizabeth H. George-Hussey and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (11-0-1).

YES ☐
NO ☐

ARTICLE 22: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) to be awarded to the **VAUGHAN COMMUNITY SERVICE, INC.** Agreeable to a petition signed by Eugene R. Hussey and others. Recommended by the Board

YES ☐
NO ☐

of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

ARTICLE 23: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Ten Thousand Four Hundred Forty Dollars (\$10,440) for the VISITING NURSE & HOSPICE CARE SERVICES OF NORTHERN CARROLL COUNTY, INC. Agreeable to a petition signed by Maryellen LaRoche and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-1).

YES ☐

NO ☐

ARTICLE 24: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) for the EARLY SUPPORTS & SERVICES PROGRAM (birth to 3 years) OF CHILDREN UNLIMITED, INC. Agreeable to a petition signed by Maryellen LaRoche and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (10-0-3).

YES ☐

NO ☐

ARTICLE 25: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand One Hundred Forty Two Dollars (\$25,142) for support of the GIBSON CENTER FOR SENIOR SERVICES, INC. Agreeable to a petition signed by Karen James and others. Recommended by the Board of Selectmen (4-0-1). Recommended by the Budget Committee (12-0-0).

YES ☐

NO ☐

ARTICLE 26: (Special - not included in Warrant Article #11) To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the purpose of assisting the CONWAY VILLAGE CHAMBER OF COMMERCE in its year-round efforts to provide general information services to citizens and visitors through its Information Booth in Conway Village. YES ☐
NO ☐

Non-Binding Referendum

ARTICLE 35: Are you in favor of the "User-Fee" for use of the White Mountain National Forest? YES ☐ NO ☐

ARTICLE 36: Are you in favor of the Town of Conway pursuing the feasibility, costs, and funding sources for the extension of the North-South Local Road portion of the 9A Bypass from its planned terminus at Mechanic Street in North Conway Village to the vista/new post office area at the northern end of Town? Voters should recognize that the extension will serve as a traffic release and help relieve anticipated new congestion problems at the Mechanic Street terminus, and that it will not, in all probability, displace construction of the northern section of the Bypass: YES ☐ NO ☐

ARTICLE 37: Are you in favor, as allowed by law, of the Town of Conway charging a fee to NON RESIDENTS (exclusive of those who are taxpayers) for the use of the Cross Country SKI Trails on Town properties, such as Whitaker Woods, for the purpose of helping to defray the costs associated with grooming and maintaining the trails? YES ☐ NO ☐

PROPERTY TAX EXEMPTION AVAILABLE TO CONWAY TAXPAYERS

Veteran Service Exemption: RSA 72:28-36

Amount = \$100 Regular Veteran, \$1,400 Total & Permanent Service Connected Disability. Must be a resident of NH for at least one year prior to April 1st of year exemption is applied for. Must be separated or discharged under honorable conditions and have served during correct time periods covered in statute, or widow of same. Applies only to place of primary abode; does not apply to second homes or parcels of land.

Optional Adjusted Elderly Exemption: RSA 72:43-h

Must be resident of NH for at least five years prior to April 1 of year exemption is applied for. Own real estate individually or jointly, if real estate owned by spouse, must have been married at least 5 years.

Net income of \$14,000 or, if married, \$21,000.

Have assets of \$50,000 or less, excluding the value of residence.

Amount of exemption:

65 to 75 years of age, \$25,000

75 to 80 years of age, \$40,000

80 years or older, \$50,000

The applicable amount is deducted from the assessed value of property before tax is figured.

Physically Handicapped: RSA 72:37-a

“Physically handicapped person” means a person who by reason of physical defect or infirmity permanently requires the use of special aids to enable him to propel himself. The cost of special aids which are built into the property are deducted from the valuation of the property.

Blind Exemption: RSA 72:37

Must be legally blind as determined by The Blind Services Department of the Vocational Rehabilitation Division of the Education Department.

Amount of exemption is \$25,000 deducted from his or her residential real estate equalized.

For information concerning the following categories, please contact the Assessor's Office, Town Hall, Center Conway at 447-3811.

Solar Energy System: RSA 72:62

Wind Powered Energy System: RSA 72:65

Woodheating Energy System: RSA 72:69

Current Use Assessment: RSA 79-A

Residential Use Assessment: RSA 75:11 (FOR SINGLE FAMILY HOUSE IN COMMERCIAL ZONE.)

ASSESSOR'S REPORT

The real estate market is fluid. It never sits still and, contrary to popular belief, it does not always move all at once in the same direction. There are leading and lagging segments of the market. When demand heats up, there are certain properties that begin to appreciate first and others that will (eventually) follow.

The value of real estate is based upon supply and demand. If demand exceeds supply, prices go up. If supply exceeds demand, they go down. However, the Conway real estate market is made up of different types of properties; residential, commercial, seasonal, vacant land and so on. It so happens that there can be different levels of supply and demand amongst different types of properties. Situations can arise whereby some properties are appreciating while others are sitting still or even declining in value. It all hinges on the number of buyers versus the number of sellers for each type or segment of the market.

Every year the assessing department tracks and analyzes sales to determine what is happening in the various segments of the real estate market. We do this in order to make the assessment of real estate taxes as fair and equitable as possible. We are trying to keep the assessed value of each piece of taxable property at a price that it would sell for on the open market.

In 1997, our sales analysis indicated that the market was generally stable, however, there were sections of town that, according to "arms length" sales transactions, appeared to be on the move versus our assessed values. This analysis was supported by field reviews, letters to buyers and discussions with local real estate professionals. The result was that many assessments were adjusted.

Some of these adjustments were in the form of decreases in assessed values and, of course, this department seldom hears more about them because they generally translate into lower tax bills. Unfortunately, some of the adjustments came in the form of higher assessments resulting in higher tax bills. This has generated some questions from those taxpayers.

At first glance, it may seem unfair to increase a certain group of assessments while others stay the same (or even decrease). To those affected, the status quo is preferable. Just leave it alone! We do not make such adjustments lightly. We do not "pull the trigger" and adjust assessments unless our analysis shows clear reasons to do so. We generally look for multiple sales indicating the same trends. We also look to see that the same trends are present in comparable properties or neighborhoods.

While it may seem unfair to receive a sudden increase, it is equally unfair to have one type of property or one particular neighborhood, paying taxes at 80% of market value, and another paying at 100% of market value. Without adjustments, the fully assessed properties are subsidizing the taxes of the under-assessed properties. Annual reviews are meant to bring the "over and unders" into line with the majority, thereby maintaining fairness.

This coming year we are re-mapping the town for assessment purposes. Advances in technology and the rapid growth of the town since the last mapping

project has caused our maps to become outdated and, in some cases, unreliable.

Today, Geographic Information satellites can pinpoint lot lines more accurately than in the past. Our maps will be kept both on traditional paper copies and in a computer environment that should allow for more flexibility and make it easier to do revisions.

Also, my department is beginning an in-depth review of the commercial and industrial properties throughout the town. While we annually review sales to insure assessments are being accurately maintained, commercial properties often require additional information that involves rental and expense analysis. The last time this type of analysis was performed was during the 1994 revaluation. Given the increased amount of commercial activity in town this past year and the prospect for further activity in the near future, I believe it is time to review this data again.

In November, we bid farewell to Rosann Maurice, who moved on to advance her career as the Assistant Assessor in Dover. Rosann, as everyone knows who had occasion to interact with her, was very knowledgeable and dedicated. She will surely be successful in her future endeavors and I know you will join me in wishing her the best.

At the same time, we were extremely fortunate to have been able to "steal" Dale Schofield from the Town Clerk/Collector's office. She brings with her a well deserved reputation as a self-motivated, hard worker. In the short time she has been in the assessing department, she has certainly impressed me with the speed in which she has been able to pick up her new duties. Welcome Dale.

Respectfully submitted,
Thomas Holmes, Assessor

BOARD OF ADJUSTMENT ANNUAL REPORT 1997

The year for the Board was rather quiet, but with at least one issue of great controversy. We heard five Special Exceptions, with all of them granted. There were nine Appeals from Administrative Decision, with four upheld and one overturned. Two variances were heard, with one granted and one withdrawn. Three applications for rehearings were received and all three were denied.

We welcome our new Planner/Zoning Enforcement Officer and have a good relationship with her. Zoning issues seem to be focused on more individual problems than townwide, and most are addressed by changes in the Ordinance if these are seen to be necessary.

Respectfully submitted,
Phyllis Sherman, Chairman
Donald Ekberg
John Colbath

CODE ENFORCEMENT DEPARTMENT ANNUAL REPORT 1997

Another year has come and gone. 1997 was a year of challenge as Conway continued to change and the staff at Town Hall worked tirelessly to keep up. Thankfully most of the change has been in a good direction.

A huge success for Town Hall staff was the renovation of the upstairs at Town Hall. This change was time consuming and frustrating as most of the work was done "in house" yet the finished product has increased our efficiency and lends a level of professionalism and comfort that we couldn't provide in the past. In itself, this remains an excellent change with only positive response being heard.

In the building inspection area, 384 building permits were issued with an estimated valuation for the completed work of over 12 million dollars. The fees paid to the Town to obtain permits for this work were in excess of 34 thousand dollars. As in past years, most of the inspection time was spent on the commercial projects with our efforts really beginning to show. Over the past five years this department has developed an excellent working relationship with the various contractors in the Valley. A call from the Building Inspector is not a dreaded issue for either party as, for the most part, we understand and respect each other's needs. Ultimately a professionally applied building code does not have to cost the end user additional money, yet our residents and visitors are more comfortable and safer in our public buildings and large residential structures.

During 1998 the staff of this department will continue with professional development and certification and will be providing informational forums which will deal with the more popular building code issues. It's also possible that near the end of this year, you will hear some conversation about the implementation of additional permits. Currently there is no formal requirement for electrical, mechanical and plumbing permits, yet these are some of the most critical and inherently dangerous areas of any structure. Interestingly enough, it's my understanding after talking with many of the trades people in these areas, that they all support having to obtain permits as long as the work is accurately inspected by certified inspectors who apply the codes fairly.

In the health and zoning area, 1997 was like most previous years. The health issues have mainly involved day care and educational facility inspections which are usually non eventful. Every now and again, however, we have to deal with the unsafe/unsanitary rental housing, food poisoning or failed septic system issues just to remind us how things are at the other end of the health spectrum. In the health area we will continue to work with the State as necessary to keep things functioning properly. Zoning issues have, as always, been busy. The normal items dealing with the Sign Ordinance, vending permits, tent sales and daily inspections kept our part time staff very busy. The larger issues, dealing with proposed commercial development, kept myself and everyone involved with the Planning Department, working frantically. In the upcoming year the Planning Department will be the first place to deal with zoning issues as it was

everyone's feeling that planning creates zoning so it would be a benefit if this department spend some time working with their own creation. I will, however, work with our new Planner to assist her in any matter that's causing difficulty.

During 1998 start to look for progress and information pertaining to the year long venture of computerized mapping. This too will be a project that will take a huge amount of energy and effort, but when it's done, we will again have increased efficiency and accuracy.

In April it will be 6 years since I started here at Town Hall. I have to say that it's still fun and still a challenge. I look forward to serving the residents and visitors to Conway into the future.

Respectfully submitted,
Shawn G. Bergeron

CONWAY CONSERVATION COMMISSION ANNUAL REPORT 1997

This past year the seven member board of the Conway Conservation Commission met each month, as well as participating on a number of diverse projects and committees within the town of Conway. Some of the highlights of this year's projects include:

Natural Resource Inventory

On July 16th, Richard Cook of the NH Audubon Society presented the completed Wetlands Inventory project at a meeting attended by the Planning Board, the Department of Transportation, the Selectmen, the press, and members of the public. From this presentation, the Planning Board and the Conservation Commission met with Town Planner, John Krebs, to review the inventory in more detail and to discuss plans to protect wetlands. A committee consisting of two Conservation Commission members and two Planning Board members was set up to review rules and regulations pertaining to wetlands, and to bring any changes back to their respective boards for review.

Another outcome of the July 16th meeting, was the hiring of Glenn Harbeck as a consultant to bring all Town and State Agencies together to develop recommendations for Town action to address the impact of the Conway Bypass. Members of the CCC attended meetings in Concord with the DOT and EPA and also local meetings to address land use and environmental concerns of the Bypass.

Town Properties

Whitaker Woods -

Two Conservation Commission members have been active on the Whitaker Property Management Committee throughout this past year, and report monthly to the Commission on progress.

In the fall, 6 of the 30 acre section previously thinned in 1996, was scarified. This process involved dragging the soil and preparing it for the reseeding of white pine. This was finished in November by Don Johnson, as part of the Forest Management Plan for Whitaker Woods.

As in the past years, many organizations continue to maintain and make use of Whitaker Woods, including the Mt. Washington Valley Ski Touring Association, the White Mountain Milers, Kennett High students, non profit organizations who run fund raising events, ESSC Junior Program skiers, as well as many residents and visitors to our Valley. Many thanks to these groups for their continued interest and help.

Puddin Pond -

Continued joint efforts of the Conway Conservation Commission and Peter Benson of the Nature Conservancy, along with the assistance of Kathleen Frenette and the Kennett High students, allowed the completion of the rest of

the bog bridges around the outside of Puddin Pond. Through their efforts, the trails continue to be maintained and upgraded each year. The Commission is very grateful for their support and efforts.

Walker Pond -

Field site trips to this Center Conway property have launched plans to clear out fallen trees, upgrade the nature trail, as well as revise the map and brochure for the trail. The CCC will be continuing this project in the spring and would like any volunteers that might be interested in helping to revitalize this property to contact them.

Dredge and Fill Permits

The Commission continues to review Wetlands Permit applications on a monthly basis and visit sites to determine the impacts of proposed projects. The Commission serves as an advisory board and passes on recommendations to the Department of Environmental Services in Concord, NH.

Membership changes for the 1997 year included the resignation of David Brooks as chairman and active member for 12 years, and the resignation of Karen Franke as the Commission's alternate. Selectmen's representative Chad Hill became an active voting member of the Conway Conservation Commission and after several attempts to find alternates to serve on the board, Selectmen appointed Paul Pinkham.

The Commission would invite all community members to contact them with concerns and questions related to wetlands issues or the management of Town properties. We welcome your feedback and participation at our monthly meetings, the second Tuesday of the month at the Town Hall. Please contact any of the following members with your questions:

Candace Armstrong - Chairman
Al Hatch
Herbert Lucy
Chuck Broomhall
Conrad Briggs
David Weathers
Chad Hill

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER ANNUAL REPORT 1997

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required. Violations of RSA 227-L:17, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs, as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1997 fire season was a safe period for wildland firefighters with no major injuries reported. The drought conditions experienced during the early summer months were a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

GENERAL ASSISTANCE OFFICER ANNUAL REPORT 1997

This past year has seen a decrease in number of clients served by the Welfare Office. The amount spent is lower, coming in at \$27,217. Rent, fuel and food categories are lower, with medical expenses and miscellaneous expenses rising. The Town continues to network in the community, which prevents duplicating of service and saves money.

During the year of 1997 we served 522 clients, as reflected in the following: 147 families and 69 singles, including 71 new cases this year.

With the assistance of our community through schools, State Cable TV, plus the USDA program and a local church, we were able to provide food to more people this year. The average number we served monthly was 34, with 17 of them being children under the age of 18. The total number served in 1997 was 154 households, reaching 420 individuals with 210 of them children.

Networking is a key ingredient. We don't wish to put a band aid on a problem, but assist the client with long term goals of self sufficiency. Budgeting is a key component to overcoming money problems. UNH Extension has generously given us cookbooks, and nutrition information to share with clients. We continue to work with the Salvation Army; they donated 100 winter coats, toys which helped to provide gifts at Christmas, plus food for the pantry. Working with the New Hampshire Electric Coop Project Care, 18 families from Conway have been assisted in over \$4,300 in electric bills.

Special thanks to the citizens of Conway for your assistance.

Respectfully submitted,
Bernadine Jesseman
General Assistance Officer

CONWAY PUBLIC LIBRARY ANNUAL REPORT, 1997

The Conway Public Library is our most valuable asset for the town. It has been serving the town's inhabitants since 1901. This building is the primary information center for 5,659 registered library users.

Our librarian, Margaret Marschner, and her staff operate our library for 52 hours per week. During the year 36,624 visitors came to the library and checked out 69,527 items such as books, magazines, videos and audio books. Our library had 723 new borrowers register this year. A total of 9,736 requests for reference services were acknowledged during the year. The Conway Public Library is 27th in circulation out of New Hampshire's 232 public libraries. The technical demands on the library have increased. Thirteen computers are available to library users. The library is also connected to the Internet and offers a public access.

The library sponsored 29 programs for adults, 68 storytimes and 30 programs for children. These programs included New Hampshire Humanities series, poetry and writing contests and a new summer story time at the Conway Recreation Center. The number of programs is drastically reduced from last year due to the lack of space. Ed Emberley, a guest author and illustrator, started the 8 week summer reading program with 125 attending. The summer reading program, "Take Us To Your Readers" had 295 participants who read 6,032 books.

The Henney History Room under the direction of David Emerson reported that 427 researchers used this facility which houses a collection of local history and genealogy. During the year the library purchased a significant number of books and materials needed to enhance the room. A generous grant from the Henney Historical Trust, permitted the purchase of a new computer and flatbed scanner as well as CDR technology. With the use of technology we have continued to catalog photographs in a computer data base. The aerial survey of Conway was scanned as a pilot project and the results from the State Historical Resources Survey have been scanned and placed on CD. Many of our genealogy files, vertical files, and scrapbooks have been reorganized and consolidated. Making materials readily available and archival quality is a top priority for the history room.

We were pleased to have 452 hours of volunteer service to the library. Thank you to all who donated their time and effort. A special thank you goes to Barbara Hoyt for the maintenance of our beautiful flower garden. Many people have admired her efforts. Another thank you goes to the volunteers who helped with our annual book sale held on August 16th. We appreciate all those extra hands.

We were saddened by the death of Robert Schroeder, a long time trustee (1987-1996) and library user. The library received gifts in memory of: Edward J. Crevedi, Robert Schroeder, William D. Paine, Norman "Bud" Blake and Blanche Ostroski.

It was with pleasure that the Board of Trustees celebrated Amy Gardner's 25

years of service to the Conway Public Library. Amy enjoyed gifts and a brunch held in her honor.

"Times have changed but our building has not." The Conway Public Library has outgrown its building and needs more space. With this in mind the trustees began the year by forming a building committee of Chester Lucy, Brian Wiggin, David Douglas, Bruce Knox, Jan Weinraub, Marnie Cobbs and Linda Sorensen. The building committee was charged with developing a building plan and a full recommendation to the town. They reviewed the 1994 expansion plans, studied a report by library building consultant, Patience Kennedy Jackson, investigated a needs list, and met with the staff regarding their specific needs. They hired the architectural firm of Tennant/Wallace. The building committee has fulfilled its job of presenting the trustees with a building program that is thoroughly investigated, architecturally appealing and meets the needs for our library of today and in the future. We as trustees are pleased to present to the voters of Conway a plan for an addition to our thriving community library. Please support your library by voting YES.

MT. WASHINGTON VALLEY ECONOMIC COUNCIL

1997 was a busy year for the Economic Council. The Board of Directors and staff have developed programs that support our mission and serve our twelve town region. We believe we have remained true to our mission to "improve and diversify the economic vitality in the Mt. Washington Valley Region" and we will continue to do so in 1998.

Following are highlights of 1997:

- Energy Workshops held in early 1997. Workshops explored the economic impact of our limited fossil fuel supply.
- Conducted a technology survey over the Internet. Survey results provide an inventory of technology professionals, potential employee market, and small business interest.
- Secured financial support from 11 of our 12 member towns.
- Hired full-time executive director and administrative assistant to implement programs of the Economic Council.
- Secured permanent office space in Conway Village.
- Sponsored its first ever Energy Fair in conjunction with the Tour de Sol - over 200 attended the event at Schouler park.
- Implemented the Business Visitation program in the Valley. 240 businesses were targeted for 1997.
- Established a Revolving Loan Fund. Two loans made in its initial year. Both loans made to Conway businesses.
- Developed a One Stop Business Resource Center in the Council office. The Council is joined by Anne Getchell of USDA and a newly formed SCORE Chapter. The SCORE Chapter and USDA provide free business counseling to valley entrepreneurs.
- Established a monthly business leaders breakfast called Eggs & Issues. Governor Jeanne Shaheen keynote speaker at first breakfast. Breakfasts provide networking opportunities for business owners as well as present speakers of interest.
- Council forms partnership with local school districts to implement School to Work Program.
- Produced the Rural Technology Summit in mid-September.

In the coming year, the Council will continue to work to strengthen the economies of the twelve towns we represent. We ask your support in our effort and invite your participation. We encourage your comments and ideas and we hope you will join us in 1998 and make a real difference for the people of the Valley.

Margaret Howlett,
Executive Director

HEALTH AND HUMAN SERVICE NON PROFIT ORGANIZATIONS

The North Conway Day Care Center

The North Conway Day Care Center has been operating since 1972, the first state licensed group child care center in the area.

The Center provides care for children ages 3-12 for working parents, averaging 75-100 children. Our program includes full time child care, a morning preschool, half day programs for kindergarten students, and before and after school programs. A full time program is available for school age children during the summer and school vacations.

Well balanced nutritional morning and afternoon snacks and lunches are prepared according to U.S.D.A. standards and are serviced by a full time cook.

The center has an agreement with the N.H. Department of Health & Human Services to provide child care assistance for those families who are eligible according to their family income. This enables the families to have affordable child care and stay in the workforce. All of our staff meet state licensing requirements or are in the process of being certified.

We continue to work with other community resources to help meet the needs of our families to avoid duplication of service.

Children's Health Center 1997 Report

For thirty years Children's Health Center has been providing preventive health care for Conway children. These services include affordable immunizations, physicals, developmental assessments, vision and hearing tests, nutritional counseling, short term family counseling and other important health care. The Center's staff works closely with local physicians, school nurses and local health and social services to enable children to secure a healthy start in life.

Currently, Children's Health Center serves 379 Conway children, a 3.5% increase from last year's 366 children. The Center requests financial support in order to continue to provide accessible and affordable health care for Conway children. These funds provide direct service to children whose families have little or no health insurance, or access to other health care. *At Children's Health Center, no child is refused care for financial reasons.*

National health statistics clearly indicate the benefits of early childhood preventive care. Children who receive their immunizations, physicals, developmental assessments and other important health care are much more likely to be better students in school and have healthier and more productive lives as adults. Your support of Children's Health Center assures that Conway families have access to important health care for their children.

The Family Health Centre

The Family Health Centre provides well woman care (annual physicals and health screenings) prenatal care, sexuality education, nutritional counseling and related social work services. A majority of our patients have no health insurance; some have only catastrophic coverage. Our town appropriation enables us to provide excellent care by our nurse practitioners at an affordable cost to low income women and their partners.

In 1997 we served 730 Conway residents. The fees we charge are based on family income. A few individuals do pay full fee because they make sufficient income and are attracted by the fine reputation of our staff. Our certified nurse midwife delivered 50 babies at the Memorial Hospital with the backup of our medical director Dr. Mary Anne Jackson. Our Celebrate Families program, a welcome baby project staffed by one part time coordinator and fifteen volunteers, provided assistance to 124 families.

Carroll County Mental Health Services

Carroll County Mental Health is a private nonprofit agency which provides high quality, accessible mental health services to the residents of our county. The outpatient and emergency services are funded by a combination of patient fees, grants, fund raising and town appropriations.

Persons who use our services are treated for conditions such as depression, anxiety disorders, mental dysfunction, post traumatic stress disorder, drug and alcohol abuse or suicidality. They may attend one session to fifty sessions in the course of a year. They are assigned a fee based on family income. We bill their health insurance if they have a policy. During the past year 514 Conway residents were treated at the Center; altogether 1,800 county residents were seen. When the community mental health centers were established in 1965, the goal was to provide accessible services to prevent unnecessary psychiatric hospitalizations. CCMHS is observing its thirty-third year of working hard to meet that goal.

Visiting Nurse & Hospice Care Services of Northern Carroll County

Visiting Nurse and Hospice Care Services of Northern Carroll County, Inc. a nonprofit, Medicare Certified and state licensed agency, provides comprehensive home health care and hospice services. Services include case management, skilled nursing, speech, occupational and physical therapies, IV therapy and other high tech services, home health aides, social work, support groups, health screenings, and flu shot clinics, and hospice volunteers. Services are available 24 hours per day, seven days a week, to individuals of all ages who meet medical need criteria.

When a person's required treatment is covered by Medicare, Medicaid or private insurance, we are reimbursed for our services by those payors. We also offer a sliding fee scale to those who do not have insurance coverage available. Town funding helps us provide services to people who do not have any other payment source, and helps us to maintain our high level of care to everyone we serve.

The agency served a total of 564 clients during 1997. 308 clients were served in the town of Conway of which 148 were underinsured or uninsured. Total 1997 home visits for the agency = 17,842. Conway = 9,723 visits; 55% of all clients and 55% of all home visits. 802 Conway home visits were for uninsured or underinsured clients; Conway town funding contributes \$13.01 to these sliding fee visits; the agency contributes \$41.33. On a per capita basis, Conway residents contribute \$1.26 per year to provide these essential services. Our average cost per home visit = \$54.34 as compared to the national average of \$80 cost per visit.

Starting Point Services for Victims of Domestic & Sexual Violence

Starting Point: Services for Victims of Domestic & Sexual Violence (formerly Carroll County Against Domestic & Sexual Violence) is a private non-profit organization providing services to victims of domestic violence and sexual assault in Carroll County since 1981. Our services include a 24-hour crisis line, court and hospital advocacy, emergency shelter, support groups and resources and referrals. We work closely with law enforcement, the court system and area social services to insure that victims of these crimes receive the assistance they need. All of our services are provided at no charge.

In 1997, Starting Point provided 161 bed nights to Conway residents in need of emergency shelter. The agency also provided court advocacy to 41 residents of Conway. With only three staff members and a limited budget, the vast portion of these services were provided by approximately 50 trained volunteers. These volunteers donate approximately 16,000 hours of service to our community each year. The money contributed by towns to our agency is used for direct services to Starting Point clients. Money received through town funding and our own fundraising efforts enables Starting Point to qualify for State and Federal grants which make up 90% of our budget. Without the assistance of towns such as Conway, Starting Point would not qualify for the funds that keep us in operation.

Vaughan Community Services, Inc.

For thirty years the people of the Vaughan Community Services have been listening and responding to the people in need in our community. While church-based, our services are open to all persons, especially those whose needs are not met by other programs or agencies. We work together with all human service agencies with our programs.

North Conway Day Care Center (a program listed separately in this report with its own Director, staff and budget, under the Vaughan umbrella)

Food Pantry

Clothing Depot

Loan Closet for medical equipment needs

Resource and Referral Services

Blood Pressure Screenings

Support for persons affected by and infected with HIV/AIDS, for persons dealing with cancer, bereavement, diabetes support group.

We are also involved with community programs: Community Shelter Action Committee, Gifts From the Heart, Visiting Nurse & Hospice Care Services, Sudden Death Response Team, Habitat For Humanity, Gibson Senior Center Long Range Planning Committee, KIT - the Area Food Pantries Coordinators, and the Carroll North Board of the ACS.

Respectfully submitted,

Liz George-Hussey, Administrator

The Gibson Center for Senior Services, Inc. 1979-1998

The Gibson Center for Senior Services, Inc. is a non-profit corporation serving the needs of over 1,000 seniors in Northern Carroll County. The nutrition, transportation and healthy aging programs enable older residents to remain in their homes independently pursuing their lives with purpose, dignity and participation within the community. In 1996, we provided over 40,000 congregate and home delivered meals and over 15,000 on-demand rides for medical appointments, meal sites and daily living needs including shopping, banking, the post office and social functions. The Gibson Center's Healthy Aging Programs offer a wide range of social and educational opportunities, including Growing Wiser, Flu Shot Clinics, Income Tax Support, Health Screenings, Estate Planning, Vision Workshops, 55 Alive Driving Workshops and special holiday and outreach programs.

Consider our average consumer. She is 80 years old, living alone. Her income is \$416 a month. She is likely to be immobile, isolated and recovering from a

(continued)

major illness. Chances are she suffers from malnutrition and lives far from her family members. The hot meal we deliver to her daily is the social high point of her day. The only way she can go shopping or to a doctor's appointment is on one of the Center's vans. Seventy-eight percent of our participants are being treated for a major health problem. Nearly half of them have been hospitalized during the year and have daily living limitations. In the first half of this year alone, these at risk seniors in our community have accounted for a 26 percent increase in home-delivered meals.

We have entered into a long range planning process to address level or decreased funding, increased service demand, and the need for a new facility within five years.

NORTH CONWAY COMMUNITY CENTER ANNUAL REPORT 1997

When I looked back over the past 12 months, several areas that we were involved with seemed to emphasize the overall responsibility that the Board of Directors has in recreational programming for the Community Center.

The most significant area was the donation by Charles Sprague and his daughter, Stacey Clancy, of \$101,000.00. The fund is endowed and must be used for new programs or program enhancement only. Benefits from this fund will be significant in 1999. These monies will allow more programs to be established and to improve existing ones.

Along with the Sprague contribution, the Board of Directors annually raises a large amount of money to support its budget. 1997 was no exception as the Board generated over \$83,000.00 from various sources. This was by far the most amount of money the Board has ever raised. It amounted to 51% of our entire budget.

Because the Board raised a large amount they reduced their request to the Town of Conway from \$80,060 to \$75,000 and pledged all surplus funds from 1997 to the 1998 budget. This amount was \$8,000.

Many volunteers stepped forth for a new soccer program in '97. Children in Kindergarten and Grades 1 and 2 had a 6-week course in the Whitaker Woods field last fall. Seventy one youngsters participated and with grades 3, 4, 5, and 6 having over 50 participants already, it meant our Soccer activities drew over 120 children. Cost to run the program was minimal.

A program that needed 2 years to complete, was finally consummated with the dedication of our rebuilt Gazebo in August. Volunteers made it possible, along with individual and business donations. The Gazebo was built around the turn of the Century and needed major repair. The Center must keep its facilities in good repair, not only for appearance sake, but for safety, too. This project was a true community effort.

As I looked at the Board of Directors' approach to continue to raise funds, to add new programs, to maintain facilities and to utilize gifts from others, I felt that the Board was working diligently to continue to offer good recreational programs for our area.

The Directors again express their sincere appreciation to the voters of Conway for their continued support over the years.

Sincerely,
Kim Perkins
Director

TOWN PLANNER'S REPORT

I began my employment with the Town of Conway as Town Planner/Zoning Officer on December 1, 1997. Within the first week I was introduced to the Bypass project, the Citizen's Design Review Committee, the Whitaker Property Committee, the Zoning Board of Adjustment and the Planning Board. It became apparent quite quickly that there is a lot of citizen involvement in this community. I have been encouraged by the commitment demonstrated by those citizens who are willing and able to offer their time and ideas to the planning process.

Land Use Planning affects all of us. I see my role as Planner in Conway as one which guides the Planning Board and citizens in the development of Conway towards the community that its citizens strive to be. I do not see my role as visionary as some people do define the Planner's function. I feel that the vision comes from the community. It is my challenge to get to know the people, the history and the land, and help realize the vision of the community. I am counting on citizens in helping to reach this goal. I am happy to talk with any individual who has questions or interest in zoning or planning in regard to a particular parcel of land or the overall process. Your ideas are welcome!

As Town Planner I will be working closely with the Planning Board in the capacity of staff advisor. This will involve reviewing applications to ensure that all standards of the Town of Conway's Zoning Ordinance, Subdivision Regulation, Site Plan Regulations and State Land Use Laws are adhered to. As for long term planning efforts, it has been brought to my attention that the Board would like to take a more pro-active approach as opposed to re-active. I will work with the Planning Board to try to update our Zoning Ordinance and Master Plan accordingly to reflect this goal.

As Zoning Officer I will be working as advisor to the Zoning Board of Adjustment in a similar capacity as described above with the Planning Board. Any questions regarding zoning should now be directed towards myself. I will be issuing zoning permits, sign permits, change of use permits and home occupation permits.

Having finished my 8th week of employment with the Town, I am happy to report that I have found staff extremely knowledgeable and helpful. Here on the 2nd floor of the Town Hall where I have been located amidst the Town Engineer, Code Enforcement Officer and Finance Department, the atmosphere is friendly and all are happy to answer your questions and address concerns to the best of our ability. In all, my experience has been positive and I am looking forward to the following year and the challenges that it represents.

In order to assist voters in considering proposed zoning amendments, a summary sheet on zoning articles supplements this report.

Respectfully submitted,
Dawn Emerson
Town Planner/Zoning Officer

SUMMARY OF PROPOSED ZONING ORDINANCE AMENDMENTS 1998 Conway Town Ballot

*The following descriptions are general and readers are advised to refer to the actual proposed amendment for the exact proposal.

ARTICLE 2: Amendment No.1

Planning Board's proposal to create guidelines for the use of helicopters: If supported by the voters this amendment will allow helicopter take off and landing by special exception in the following districts:

- Residential/Agricultural District: private non-commercial heliports may be permitted as accessory to any approved use.
- Recreational Resort & Floodplain Conservation Districts: private/business heliports may be permitted as accessory to any approved use.
- Business: in the area defined by the limits of the proposed Industrial 2 District located on the westerly end of the East Conway Road, helipads may be permitted for private/public commercial or accessory use.

The requirement for a special exception shall not be applied to the use of helicopters, or any other type of aircraft being used on a temporary basis for such purposes as emergency response, medical necessity, ongoing construction projects that have been permitted by the Town of Conway, or temporary (less than 7 days) news media coverage.

*If both the Planning Board's proposal and the petitioned proposal regarding helicopters are approved by the voters, the more restrictive of the two shall be enforced.

ARTICLE 3: Amendment No. 2

Planning Board's proposal to create an Industrial 2 District (I2): If supported by the voters, this amendment will create a second industrial district in Conway. The proposed district is located on the westerly end of the East Conway Road. Within the I2 District lots will have a minimum size requirement of 2 acres. The minimum front setback and the setback at any point where the I2 abuts a residential use will be 50'. Side and rear setbacks will be 30'. Permitted uses include signs as permitted in 147-19, churches, hospitals with or without their usual and customary accessory uses, agricultural uses, including timber removal, businesses which are intended to board domestic farm animals, municipal services, private schools, daycare centers, institutions, restaurants, retail stores up to 5,000 square feet, offices, wholesale and light industry, garage and filling stations, excavation, commercial amusements and temporary events, such as carnivals, circuses and fairs, not exceeding fourteen (14) days in duration. Other business uses whose operation and appearance is compatible and not offensive or injurious or a nuisance to its neighborhood may be permitted. Residential dwellings and residential uses will be a permitted use in the Whitelaw subdivi-

sion. Existing residential uses located in the I2 outside of the Whitelaw subdivision will become legally non-conforming uses.

ARTICLE 4: Amendment No. 3

Planning Board's proposal to create 2 Village Residential Districts: If supported by the voters, this amendment would create a Village Residential District in North Conway Village and Conway Village. Permitted uses include residential structures with or without permitted home occupations, owner-occupied tourist homes, lodging houses, boarding houses or rooming houses, apartments, condominiums, signs as permitted by 147-19, domestic animals, but not domestic farm animals. Private educational facilities, day care centers and post offices may be permitted by special exception.

Along with creating the new Village Residential Districts, this amendment proposes that farm animals be restricted from the Industrial-1 District, kennels be permitted by special exception in the Residential/Agricultural District. Within the Business Districts the minimum lot size for keeping domestic farm animals shall be 1 acre.

ARTICLE 5: Amendment No. 4

Planning Board's proposal to create guidelines for the development of cellular towers: If approved by the voters, this amendment will permit wireless communication facilities by special exception in the Residential/Agricultural, Recreational Resort, Industrial and Mountain Conservation Districts. The maximum structure height under the current ordinance is 55' in all districts. Wireless communication facilities in excess of 55 feet will be considered under special exception in the aforementioned districts, but not in any Village District, Wetland Conservation District, Floodplain Conservation District, or Highway Commercial District. Wireless communication facilities lower than 55' shall be regulated as any other commercial structure in a commercial zone.

ARTICLE 6: Amendment No. 5

Petitioned article on the landing and take-off of Helicopters or other rotary wing aircraft in Conway: If approved by the voters, this amendment would deny the use of helicopters or other rotary wing aircraft in Conway, except for medical and related evacuation services and emergency services essential to the public health and safety, such as: search and rescue, fire fighting, law enforcement and other related services, and by special exception for construction, survey work or special events.

*If both the Planning Board's proposal and the petitioned proposal regarding helicopters are approved by the voters, the more restrictive of the two shall be enforced.

ARTICLE 7: Amendment No. 6

Petitioned article on Center Conway Village: If this amendment is approved by the voters the Center Conway Village District would restrict retail uses to a maximum of 3,000 square feet, garage and filling stations would be prohibited, wholesale and light industry would be prohibited except as a home occupation,

and underground or above ground storage tanks for classified or hazardous materials will be prohibited, excluding storage of heating fuel for commercial or domestic use or an approved use.

ARTICLE 8: Amendment No. 7

Petitioned article on signage: If approved by the voters signs will be allowed in platted private rights of way by special exception by the Zoning Board of Adjustment with the following conditions:

1. The sign may not be located closer than ten (10) feet to a platted public right of way.
2. The sign may not create an unreasonable hazard to pedestrian or vehicular traffic.
3. The sign must otherwise comply with the terms of this ordinance.

The petition also asks that legally non-conforming freestanding signs be permitted to be relocated one (1) linear foot closer to a platted public right of way for every two (2) square feet that the message area is reduced.

*Dawn Emerson
Town Planner/Zoning Officer*

PLANNING BOARD ANNUAL REPORT 1997

The Conway Planning Board has two different tasks to perform during the year; planning for the Town, and acting on projects presented to us. To help guide us, several years ago the Board developed a vision statement, which was affirmed this past spring. It is as follows:

The Planning Board of Conway supports responsible development in the Town of Conway. Projects must be compatible with the Board's overall goal of preserving the natural scenic beauty of the area and the rural New England character of the community, by providing adequate open space, landscaping which both compliments the site while blending in with the natural surroundings, and buildings which are of a scale and architectural characteristic representative of Conway. The Board supports development that will be sensitive to the traffic congestion problems inherent in Conway; projects that are pedestrian-oriented or which provide inter-connection to other developments will be encouraged. The Board will also encourage the rehabilitation and conversion of existing architecture to meet current demand.

The financial impact of a project on Conway's tax rate is also of concern to the Planning Board. Projects which may require increased fire or police protection, or create a further demand on municipal services, will be encouraged to minimize their impact and/or participation in some type of mitigation.

In general terms, the Planning Board promotes development which is architecturally pleasing and discourages the development of corporate franchise architecture. The Board encourages developments which add character to the community.

Keeping this in mind, the Board set goals for the past year, aiming to be proactive rather than reactive. We considered the probable additional need for communication towers in our area, the special needs of the residential areas close to our villages, and the need to create a place where small industry could become established. To these ends, we wrote zoning amendments which we hope will enhance living and doing business in the Town of Conway.

The other part of our responsibilities: reviewing and acting on proposed projects in the town, went on simultaneously. We took action on 14 Major Site Plans; 8 Minor Site Plans; and 15 Subdivisions/Boundary Line Adjustments.

The year has been a busy one and we hope we have recognized the needs of the Town of Conway and addressed them to your satisfaction.

CHIEF OF POLICE ANNUAL REPORT 1997

In 1997 the Conway Police Department had in its employ, ten Traffic Control Officers, who worked part-time throughout the year and were able maintain four traffic control locations, for most of the summer. During Fryeburg Fair week, we added two locations in Conway Village, to handle the added traffic. During foliage, we had as many as seven Traffic Controllers on duty from 11:00 A.M. to 4:00 P.M. daily. This covered six locations and allowed for a relief man, who covered for breaks throughout the shifts. Corporal William E. McClellan is the Officer in Charge of training and scheduling Traffic Controllers, and he has done a fine job this year.

Mandatory training, during 1997, was continued with all Dispatchers. The training consisted of four hours, every month, covering such issues from emergency medical dispatch, call taking techniques, and department policies and procedures. Dispatchers also attended training classes on Crisis Intervention, Spots Computer Recertification, "Dispatcher Stress Awareness", "Coping with Violence", and also training classes from the Power Phone Company on "Police and Fire Dispatch".

Officer training continued, with Sergeants Michael J. Santuccio and Christopher C. Perley, attending "Command Training" at the New England Institute at Babson. Sergeants Leon E. Shackley and Sean J. Billert attended In-State Supervisors Academy. All Officers had mandatory four hour training per month, on issues from "Motor Vehicle Law Updates" to "Firearms and the Use of Force". Members of the Department started a "Dive and Evidence Recovery Team" this year, consisting of Sergeants Sean J. Billert, Christopher C. Perley, Corporals Tommie C. McKenzie, Nathan J. Boothby, and Officers George B. Walker, Christopher A. Kevlin and Eric H. Dewitt. All Officers were certified at no cost to the Town.

In May of 1997, Brittany Fisher transferred from Dispatch to Patrol. Her vacancy in Dispatch was filled by Peter S. Reynolds of Conway. Also in 1997, another Dispatcher left, and was replaced by Joanne H. Irish of North Conway, bringing the Department to full staff.

Although total calls for service and activity are up, the number of burglaries and thefts from motor vehicles were greatly reduced. This is due in part to the Bike Patrol, the aggressive pro-active road patrols, and innovative methods used by the Detectives Division in solving crimes.

We look forward to 1998 with the hope of improving service and crime prevention to Taxpayers of the Town of Conway.

Respectfully submitted,
Robert J. Mullen
Chief of Police

Town of Conway POLICE

Buckle Up for Safety!

It's true. Car crashes kill more people between the ages of one and forty-four than anything else. In fact, for people in their late teens and early twenties, car crashes account for more than 40% of all deaths.

Why risk it? Your best protection against death and injury in your car is your seat belt.

It's easy. Just reach over - click - and you're set. Think about it... and while you're thinking...

Buckle Up!

Buckle Your Safety Belt

Ski Registration

It's winter and that means it's ski season and safety should be your main concern... along with having fun, of course! To protect your investment, register your skis and snowboard equipment with us.

CONWAY POLICE COMMISSION ANNUAL REPORT 1997

There is a new attitude reflected by the Conway Police Department, as we take a much more pro-active role in the areas of crime prevention, juvenile diversion and education. One of our primary goals for the department, is to make it much more "user-friendly" and community service oriented rather than strictly a reactive law enforcement agency. Renewed emphasis has been placed on Community Policing, demonstrated by the assignment of Officer Chris Kevlin as liaison officer at Kennett High School, Sgt. Billert and the Bike Patrol, the trading card program coordinated by Officer George Walker and our continuing support of the D.A.R.E. program in all the elementary schools.

During 1997, the Commissioners and Administration also continued to fine-tune the efficiency, effectiveness and community relations of the Conway Police Department. The relatively new computer system has allowed the department to become more efficient and freed up more man-hours for patrol and investigative work. Through the efforts of the department's resident "computer-nerd" (A.K.A. Alan Broyer), the software and hardware have been kept current and expanded to meet the growing needs of the department. Digital photography has allowed the Detective Division, led by Sgt. Jeff Dicey, to download crime scene and investigative photos directly into the computer, saving money previously spent on film development and making it much easier to get information out to the field, in a timely manner. Sgt. Dicey has also been instrumental in establishing the Department's first Crime-Line: 1 (888) GIV A TIP, allowing individuals who wish to remain anonymous to call and leave information or possible leads. These initiatives have made the department more effective in solving crimes and have allowed the community to take a more active role in the department.

The Conway Police Department is a vital part of this community and our goal remains providing the best possible public safety services. The Commission would like to invite comments about the department or any aspect of its operation and hope that if you do have a concern, no matter how minor, you will give us or the members of the department, the opportunity to address it. The Commission meets every other Monday at 4:00 PM and you are welcomed to attend.

The Conway Police Commission

PUBLIC WORKS DIRECTOR ANNUAL REPORT 1997

in*fra*struc*ture (n.) The basic facilities, equipment and installations needed for the functioning of a system or organization. I borrowed this definition from the American Heritage Dictionary. Engineers like to use this term when what they are really talking about is roads, bridges, sidewalks, drainage, etc. Lately, I have been using the "I" word frequently. This is because many parts of our "infrastructure" are in disrepair or total failure.

Last year's report opened with this exact same paragraph. I used this introduction again because these problems still exist and we have not yet adopted a plan to address them. The problems I am referring to are roads and bridges needing repair. I make a distinction between repair work and maintenance work. Maintenance is work done on a regular basis which is usually anticipated such as painting your house every five to seven years. Repair work is either unanticipated or the kind of fix that is only done once in thirty years such as replacing a rotten sill on your home. The Town has eighty miles of roads, sixty two miles paved, and eighteen miles gravel. Currently twenty three miles of paved roads require no maintenance at all. That is to say that they are in good condition. Thirty one paved miles require **maintenance**, and seven paved miles require **repair**. Pavement maintenance is already a line item in the highway budget but we do not yet have a plan for the more extensive repair work.

We are recommending that a capital reserve fund be established for this repair work. This program would address the seven miles of roads previously mentioned along with our bridges (Figure 1). This would be a Separate Article for 1998 which would become part of the operating budget for following years where the voters would determine the amount of that year's contribution. The advantage of a capital reserve fund is that unused funds can be saved for following years when the costs of construction exceed that year's contribution. This eliminates the highs and lows of funding year to year and allows us to plan for increasing contributions only as the Town's valuation and growth allows so as not to affect the tax rate. This program is scheduled to take seven years to complete the work presently requiring repair. Please note that bridge maintenance has been removed from the highway budget and incorporated in this program. Figure 2 shows the planned pavement maintenance schedule for the same seven year period.

The second infrastructure issue this year is the landfill expansion. Phase I of our landfill is almost full and it is time for us to build Phase II. The estimated cost of this project is 1.45 million dollars. The Town has already put aside \$750,000 for this expansion through annual contributions to the existing capital reserve account. The plan is to make two more contributions, one this year and one next year, of \$350,000 each. It will cost us \$40.00 per ton to place our trash in Phase II. This price is the sum of the construction, operating and future closure costs. The alternative to expanding our landfill is to haul our trash to a pri-

vate facility. The 1998 price for this is \$60.00 per ton of trash. The New Hampshire Department of Environmental Services estimates that there is approximately twelve years of disposal capacity left in existing private landfills within the State. Hence, this price is likely to escalate. The Town's situation is somewhat different. Our facility permit is for a total of five phases. Phase II will provide eight years of capacity and the total life expectancy of the facility through Phase V is thirty years from now.

You may note that the annual contribution to the Landfill Closure fund has been increased this year. Like the Expansion fund, only 50% of the necessary amount was being allocated each year. New State and Federal requirements make it necessary for us to increase this annual contribution. In the long run the cost of the project will be the same and increased annual savings now will offset appropriations later.

These are the larger Public Works issues for your consideration this year. Increases in this year's budget request are related to these items. Should you wish to know more about these issues, I encourage you to attend the deliberative portion of Town Meeting or contact my office. I may be reached at 447-3855.

In closing, I would like to welcome our new employees Paul Cameron, Ira Ela and Scott Sargent. Also, I want to commend the entire Public Works Department for a job well done during the "98 Ice Storm". Thank you for the opportunity to present this report.

Respectfully submitted,
Paul A. DegliAngeli, P.E.
Public Works Director

RECREATION DIRECTOR'S ANNUAL REPORT 1997

The Conway Recreation Department is located at the Conway Community Building in Center Conway. The Conway Community Building includes a meeting room for special recreation functions, and a children's game room equipped with a pool table, ping pong table, and various video games. The playing fields surrounding the Conway Community Building accommodate various sports programs such as flag football, soccer, field hockey, T-ball, Bambino league baseball, softball and a basketball court.

The Town of Conway also offers many other outdoor parks and recreation areas for community uses: Conway Lake Beach, First River Bridge, Smith Eastman Recreation Area, Whitaker Woods, Davis Park, Schouler Park, Nasby King Field, Hussey Field and Conway Skating Rink. These sites provide recreational activities such as hiking, biking, swimming, canoeing, cross country skiing, tennis, basketball, playgrounds and multi-purpose fields.

The Recreation Department offered a number of new programs in 1997. Expansion of our senior citizen trips included visits to the Boston Flower Show, Shriners Circus, Strawberry Banke, Starlight Express Ice Show, Christmas shopping and a cruise on Casco Bay. Additional new programs consisted of 1st and 2nd grade instructional basketball, girls field hockey, and ballroom dance workshops for adults which, because of its success, will be offered throughout the 1998 season.

Extensive programming was added for Jr. High age students in 1997. Through collaboration with the Conway School District and Theresa Kennett (Substance Abuse Prevention Coordinator), the Recreation Department was able to obtain a \$9,000 grant from the NH Bureau of Substance Abuse Services. This grant made possible a wide range of programs exclusively targeted to kids ages 12-15. Programs included bowling, mini-golf league, summer trips, hiking, biking, canoeing, a haunted hayride, paintball games, hockey games, rollerskating, dances, and a weekly Teen Center. The Recreation Department is proud to announce that the same grant in the amount of \$9,000 was once again awarded for 1998. This will assure that the needs of the Jr. High age students will once again be provided for at no expense to the Conway Taxpayer.

Many of the programs provided by the Recreation Department would not have been possible without the extended support and volunteer base made up of parents and citizens in the Conway community. More than 85 volunteers contributed their time to coaching, chaperoning, and participating in various fundraisers on behalf of the Friends of Conway Recreation. Businesses and Civic groups play a major role in the success of our programs through donations of goods and services. I would like to thank the following: Friends of Conway Recreation, Conway Police Department, Center Conway Fire Department, Napa Auto Care Group, Shaw's Supermarket, Abbott's Premium Ice Cream, Pequawket Foundation, K Mart, McDonald's, Shop n' Save Supermarket, North Conway

Community Center, Zeb's Country Store, Kiwanis, Kennett Corporation, DAR, North Country Wholesale, Kennett Oil, Glass Graphics, W.L. Frasier, Tony Lena's, Pizza Hut, Frye's Store, Brennan's House of Pizza, Subway, Patch's Market, Fire 21, First Stop, Radio Shack, Horsefeathers, Alliant Food Service, Chuck Roast, Cafe Noche, Sears of North Conway, Crest Auto World, Play It Again Sports, Conway Daily Sun, Kennett Key Club, DARE, Varsity Beverage, New England Embroidery, G.H. Bass, Champagne Ceramics, Bill's Place, Jonathon's Seafood, Fandangle's, Sante Fe North, Christmas Loft, L&K Golf, Mountain View Restaurant, Homestead Restaurant, Banana Republic, Cliffside Restaurant, Banner's Restaurant, Peking, Chowder House, Leavitt's Bakery, MWV Hockey, Conway School District and Valley Vision Television.

It has been a pleasure to serve the people of Conway as your Recreation Director, and I encourage all citizens to get involved in our recreational activities.

Respectfully submitted,
Johnny R. Eastman
Recreation Director

*Paul Cameron

CONWAY RECREATION ADVISORY COMMITTEE ANNUAL REPORT 1997

Members of the Conway Recreation Advisory Committee are selected by and answer to the Town Selectmen. Current members are:

"Slim" Bryant
John Cannell
John Eastman, Conway Recreation Director
Theresa Kennett
Joseph Marotta
Steve Phillips, Secretary
Steve Swenson, Chairman

Meetings are now held quarterly rather than monthly. Current programs are reviewed, as well as projected needs and possibilities for better serving the recreational needs of the Conways. Our new liaison Selectman is Chad Hill.

Major accomplishments for the year included:

1. Two committee members, John Eastman and Steve Swenson, have been part of the Whitaker/Bancroft Property Advisory Committee, which has met monthly to formulate and prioritize possible recreational use of the recently acquired 43 acre parcel adjacent to Whitaker Woods. The construction of a swimming pool on the property is low in priority; however, we are repeatedly reminded of the unmet needs in this area, as well as the fact that there are Town funds specifically designated for a swim site.
2. A Junior High Drop In Center has been made possible thanks to a State grant, along with donations of food by local businesses.
3. Possible ways to finance the winter grooming of Whitaker Woods, together with the recently acquired adjacent Whitaker/Bancroft Property, were discussed and finally resolved.
4. Further improvements were made on the Town bike pathways in the form of signs and the volunteer spreading of gravel. The reprinting of pathway maps continues to be a goal for the future.
5. The purchase of a used school bus for the various Town recreational purposes has increased the recreational accessibility for school age youngsters as well as senior citizens, and has definitely proved to be cost effective.
6. Having a full time assistant to the Recreation Director has decidedly contributed to the scope, efficiency and participation possibilities offered by the Conway Recreation Department.

Our on-going challenge is to be innovative in suggesting ways of better meeting the recreational needs of the local community. This task includes the continued care and maintenance of existing facilities, as well as providing for future growth. We attempt to keep in mind the social value of recreational opportunities for our local young people as opposed to vacationing public, as well as the financial costs.

Respectfully submitted,
Stephen Swenson, Chairman
